Section II: Object

II.1) Scope of the procurement

II.1.1) Title

UKRI-2264 Statutory Inspections for Lifting Equipment, Pressure Systems and Local Exhaust Ventilation Systems at STFC

Reference number

UKRI-2264

II.1.2) Main CPV code

- 71631000 - Technical inspection services

II.1.3) Type of contract

Services

II.1.4) Short description

UK Research and Innovation's (UKRI) Science and Technology Facilities Council (STFC) operates a number of large research facilities covering many areas of new and developing science and technology which incorporate many bespoke in-house designed systems.

To comply with statutory inspection requirements set out in The Lifting Operations Lifting Equipment Regulations 1998 (LOLER), The Pressure Systems Safety Regulations 2000 (PSSR), and The Control of Substances Hazardous to Health Regulations 2002 (COSHH), STFC requires the services of an external provider (the Supplier) to undertake these periodic inspections.

II.1.5) Estimated total value

Value excluding VAT: £850,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKM75 - Edinburgh, City of
- UKD61 - Warrington
- UKC12 - South Teesside
- UKJ14 - Oxfordshire

Main site or place of performance

Edinburgh, City of, Warrington, South Teesside, Oxfordshire

II.2.4) Description of the procurement

UK Research and Innovation's (UKRI) Science and Technology Facilities Council (STFC) operates a number of large research facilities covering many areas of new and developing science and technology which incorporate many bespoke in-house designed systems.

To comply with statutory inspection requirements set out in The Lifting Operations Lifting Equipment Regulations 1998 (LOLER), The Pressure Systems Safety Regulations 2000 (PSSR), and The Control of Substances Hazardous to Health Regulations 2002 (COSHH), STFC requires the services of an external provider (the Supplier) to undertake these periodic inspections.

STFC site locations to be covered under this contract are:

- Rutherford Appleton Laboratory (RAL), Harwell Campus, Didcot, Oxfordshire, OX11 0QX, including Chilbolton Observatory, Drove Road, Chilbolton, Hampshire, SO20 6BJ
- Daresbury Laboratory (DL), Keckwick Lane, Daresbury, WA4 4AD
- The UK Astronomy Technology Centre (UKATC), Blackford Hill, Edinburgh, EH9 3HJ
- Boulby Underground Science Facility, Boulby Mine, Saltburn-by-the-Sea, Redcar & Cleveland, TS13 4UZ

The full technical specification for this procurement can be found at Appendix A. It is essential that this Appendix is fully read, understood and assessed when considering this opportunity.

Site Tour:

Given the nature of the requirement and the complex sites, UKRI STFC will be holding a site tour for this requirement at the RAL site. It is strongly recommended that potential suppliers attend the site tour at RAL in order to gain complete clarity of the requirements

and environment you would be working in. Due to the comparatively limited number of inspections required at DL, UKATC and Boulby, the site tour will only be conducted at RAL. All information needed to submit a bid in relation to these other sites is included within the tender documentation.

Site tours at RAL will be held on Tuesday 18th October at 10:00 and Wednesday 19th October at 13:00 and will last no more than 2 hours. Suppliers need only attend one of these tours. Two attendees from each supplier organisation are permitted to attend a site tour.

To book on to the site tour, please submit the names, email addresses and vehicle registration numbers of those attending via the message function on the Delta eSourcing Portal, along with the date you wish to attend. Please confirm your attendance no later than 16:00 on Friday 14th October.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £850,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

Yes

Description of renewals

The Contract duration shall be for an initial period of 3 years from the commencement of the Contract, with an option to extend for a further period of 1 year (3 + 1).

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

The estimated value of the opportunity over the potential 4 year duration is £600,000 - £700,000 excl. VAT (£150,000 - £175,000 excl. VAT per year) based on the anticipated number of days of inspections.

To allow for the potential of additional assets, additional days of inspections and report writing and additional written schemes of examination, the maximum spend under the Contract over the potential 4 year duration is £850,000 excl. VAT.

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

7 November 2022

Local time

11:00am

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.6) Minimum time frame during which the tenderer must maintain the tender

Duration in months: 3 (from the date stated for receipt of tender)

IV.2.7) Conditions for opening of tenders

Date

7 November 2022

Local time

11:00am

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: Yes

Estimated timing for further notices to be published: September 2026

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

UKRI is managing this procurement process in accordance with the Public Contracts Regulations 2015 (as may be amended from time to time) (the “Regulations”).

UKRI is procuring the Contract for its exclusive use.

UKRI shall utilise the e-sourcing portal Delta and all correspondence and submission of documents must be through that portal. Suppliers are to utilise the messaging system within the e-sourcing tool within the timescales detailed in this document.

If there is any doubt with regard to the ambiguity of any question or content contained in this questionnaire then Suppliers should raise a clarification question via the e-sourcing portal. Suppliers are to note that any requests for clarifications may not be considered by UKRI if they are not articulated by the Supplier within the discussion forum within the e-sourcing tool and received within the specified time.

All Tender Responses MUST be submitted through the portal. Please note, any submission of a Response which is outside of the e-sourcing portal will result in the Response not being considered.
