The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

The purpose of this notice is to draw attention to a procurement awarding a National Framework Agreement titled "Total Orthopaedic Solutions 3" which will be accessible by all parts of the NHS via NHS Supply Chain.

Supply Chain Coordination Ltd trading as NHS Supply Chain will be entitled to purchase the supplies identified in the forthcoming tender documents as Non-Direct Contract Products which it will then make available for purchase by:

- 1) any NHS Trust, shared service, purchasing or contracting Authority;
- 2) any other NHS entity or Local Authority;
- 3) any government department agency or other statutory body and/or;
- 4) any private sector entity active in the UK healthcare sector;
- 5) any third party / managed service acting on behalf of the NHS.

There will be an online supplier event to be held on Friday 21st October 2022 from 10:30 to 11:30 to give insight into the tender and framework. Any supplier expressing an interest to this opportunity through this Prior Information Notice will be invited to this event and sent details. Attendance is not mandatory and NHS Supply Chain will not cover any costs incurred by Applicants participating in the event.

The following certification will be a requirement of the tender exercise.

-Declarations of Conformity and Certificates of Conformity from an UK Approved Body (UKCA) or EU Notified Body (CE), covering all products intended for submission under the tender, to demonstrate compliance to UK Medical Device Regulations 2002.

-evidence of an effective quality control system in place covering all segments of the Applicant's (and the product's) supply chain for example but not be limited to, manufacturing, storage, distribution and customer service. Valid ISO 9001:2015 accreditation by a United Kingdom or external certification body is preferred. If such evidence of an effective quality control system is not in the name of the Applicant then the Applicant must supply a copy of agreements setting out the authority and responsibilities of all parties in the supply chain.

-Public Liability Insurance cover of £5m per claim in the name of the Applicant

-Product Liability Insurance cover in the name of the Applicant of £5m per claim or £5m per claim and in the annual aggregate

If an Applicant commits to obtain ISO9001:2015 or equivalent quality standard certificate, Public Liability Insurance or Product Liability Insurance certification at the time of their tender submission then the requirement is that such certification is in place prior to the commencement date of the framework agreement (in order for NHS Supply Chain to place orders with the successful Applicant).

-The NHS has adopted PPN 06/20 2022 taking account of social value in the award of government contracts therefore this Framework Agreement will include some qualitative evaluation questions on Social Value with a min. weighting of 10% towards the award. To understand what's included in Social Value, please

see: <https://www.gov.uk/government/publications/procurement-policy-note-0620-taking-account-of-social-value-in-the-award-of-central-government-contracts>. In addition, from April 2023: the NHS will adopt the Government's 'Taking Account of Carbon Reduction Plans' (PPN 06/21) requiring all suppliers with new contracts for goods, services,
