### VI.3) Additional information

The procurement is a re-issue of a previously issued contract notice. The first stage (SPD stage) of this procurement was first advertised on PCS in late July 2021. However the number of SPD submission responses received at that time did not provide the Council with the level of competition that it was looking for on the Secondary Construction Elements Framework, and the decision was taken to cancel the procurement at that stage and to re-advertise at a later date.
