II.1.4) Short description

The Council is sharing this Invitation to Tender to obtain professional, properly defined and priced propositions for the supply, installation, maintenance, support and management of Electric Vehicle Charging Infrastructure within the Brighton and Hove area. The Council's Phase 2 Electric Vehicle Infrastructure Programme is supported with LEVI funding from OZEV to maximise the number of publicly accessible Chargepoints that the Concessionaire(s) can install on-street across the City. The Council's strategic objective is for residents with no off-street parking to be within a short walk from a Chargepoint and it is our aim to install Chargepoints in every residential street throughout the City. The Council is looking for a Concessionaire(s) to set up and fund Phase 2 of the Council's Electric Vehicle Charging Infrastructure Programme, which will run alongside the current service operated by Blink Charging Ltd. The Programme will see a minimum of 1,650 publicly accessible on-street Ele
