Community benefits are included in this requirement. For more information see:

<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

The Council aims to act as a role model within the public sector, by carrying out its activities in a responsible and sustainable manner, considering how it can improve the economic, social, and environmental wellbeing of the area.

Tenderer's will be required to submit information as to how their organisation will assist the Council in furthering these sustainability and community benefits objectives in relation to this Contract.

Tenderers should also describe how they will commit to fair work practices for workers (including any agency or sub-contractor workers) engaged in the delivery of this Contract. The Council considers the delivery of high-quality public services to be inextricably linked with workforces that are well-rewarded, well-motivated, well-led, have access to appropriate opportunities for training and skills development, recognise and respect diversity and are involved in some key decision making affecting them.
