Market Engagement - Requirement for Low Cost PM2.5 Monitoring Sensors, and associated Services

Reference number

DN635658

II.1.2) Main CPV code

- 90731100 - Air quality management

II.1.3) Type of contract

Services

II.1.4) Short description

TfGM is keen to understand how the market is positioned to deliver low-cost sensor monitoring of PM2.5 emissions across Greater Manchester. This Prior Information Notice (PIN) is an opportunity for suppliers to understand more around the potential requirements and opportunity, and to allow you to submit information that will feed into our operational, procurement and contracting strategy.

TfGM are interested in engaging with the market to obtain information relating to the following:

- Products/solutions available to meet the requirements;

- Suppliers' ability to provide a turnkey solution, encompassing: equipment supply and installation, data capture and ongoing quality control/ quality assurance, data provisioning, equipment management & maintenance;

- Preferred procurement bundling approaches;

- Any other potential benefits/ options.

The questionnaire is freely available via the Pro Contract ePortal Ref: DN635658

II.1.5) Estimated total value

Value excluding VAT: £300,000

II.1.6) Information about lots
