Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Market Engagement for an MCX Standalone Dispatcher and related services

Reference number

C19466

II.1.2) Main CPV code

- 72212510 - Communication software development services

II.1.3) Type of contract

Services

II.1.4) Short description

The Emergency Services Mobile Communications Programme (ESMCP) within the Home Office wishes to undertake research on the current market for an MCX Standalone Dispatcher capable of operating on the Emergency Services Network (ESN).

This would include the following categories of requirement

- Supply of an MCX Standalone Dispatcher and related Services
- Deployment
- Technical Delivery and Validation.
- Additional Specialist Services

This Prior Information Notice (PIN) is to notify the market that the ESMCP plans to host supplier events and market sounding meetings to further develop its understanding of the current market. As such, ESMCP will be publishing a Request for Information in late September 2023 to enable suppliers to respond and participate in discussions in relation to their existing and potential solutions for the above categories.

The outcome will inform ESMCP decisions on future strategy and any new procurement activities. Any such decisions will be made solely at the Authority's discretion.

An online supplier briefing is planned to take place in early October 2023. Participants will be asked to sign a Non Disclosure Agreement (NDA) and potentially an Ethical Walls Agreement (EWA) to gain access to the RFI and briefing session.

To register interest, please e-mail ESMCPSupplier@homeoffice.gov.uk providing the relevant contact details in your organisation and requesting a copy of the NDA/ EWA agreement.

This PIN does not bind the Authority in any way to commence a procurement exercise for the requirements. We may discontinue this market engagement exercise at any time.

II.1.5) Estimated total value

Value excluding VAT: £13,600,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 72211000 - Programming services of systems and user software
- 72212500 - Communication and multimedia software development services
- 72212510 - Communication software development services
- 72212511 - Desktop communications software development services
