II.3) Information on framework agreement

The notice involves the establishment of a framework agreement: No

II.4) Short description of nature and scope of works or nature and quantity or value of supplies or services

The Authority intends to run a competition to design a Training Simulator to enable training of Royal Navy Engineers assigned to Type 45 Destroyers. The current Simulation solution is outdated, obsolete and incapable of supporting the new requirements from the Napier power improvement programme. The requirement is to design a training simulator to train personnel on the use of the Platform Management System (PMS) integral to the T45. The competition is for procurement of a solution only. When procurement is complete, the enduring maintenance of the Training Simulator will be managed by another Department. It is

intended to issue a Contract Notice by the end of November/Early December 2021.
