Description

This is a Regionalised Framework Agreement across the South East with a focus on SME's and local Trusts to be able to provide the service. It is designed to offer an efficient mechanism for procuring innovative and reliable Equipment maintenance solutions that directly support the delivery of exceptional patient care. This includes preventive, corrective, and technical support services to ensure that all equipment remains compliant with relevant safety, regulatory, and performance standards This Framework Agreement is designed to be

able to meet the needs of regional health and local public sector Authorities, and will include Suppliers with capability across the local geographical landscape. The FWA is planned to be divided into the following lots - Lot 1: Equipment Maintenance Lot 2: Equipment Repair Lot 3: Equipment Management Lot 4: Safety Audits Lot 5: Training Lot 6: Quality Management Lot 7: Document Control Lot 8: Bespoke: A combination of all or any of the above lots, including any value added/innovative service.

Commercial tool

Establishes an open framework

A series of frameworks with substantially the same terms. Awarded suppliers are carried over and new suppliers can bid.

Total value (estimated)

- £18,000,000 excluding VAT
- £21,600,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 2 December 2025 to 1 December 2033
- 8 years

Options

The right to additional purchases while the contract is valid.

Once every 3 years. Expected life of the FWA 8 years, 3+3+2 years' breaks. Due to changing marketing dynamics and new entrants with value added technologies, the market offerings are expected to develop rapidly and to allow such changes and not limiting the market, the FWA is proposed to be for 8 years period.

Lot constraints

Description of how multiple lots may be awarded:

The FWA is planned to be divided into the following lots - Lot 1: Equipment Maintenance Lot 2: Equipment Repair Lot 3: Equipment Management Lot 4: Safety Audits Lot 5: Training Lot 6: Quality Management Lot 7: Document Control Lot 8: Bespoke: A combination of all or any of the above lots, including any value added/innovative service.

Not the same for all lots

CPV classifications are shown in Lot sections, because they are not the same for all lots.

Lot 1. Equipment Maintenance

Description

Performing preventative maintenance (PPMs) to ensure equipment is functioning optimally, e.g. SFG20 compliance

Lot value (estimated)

- £2,250,000 excluding VAT
- £2,700,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 45310000 - Electrical installation work

Same for all lots

Contract locations, contract dates and options are shown in the Scope section, because they are the same for all lots.

Lot Lot 2. Equipment Repair

Description

Diagnosing and repairing equipment malfunctions

Lot value (estimated)

- £2,250,000 excluding VAT
- £2,700,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 50421000 - Repair and maintenance services of medical equipment

Same for all lots

Contract locations, contract dates and options are shown in the Scope section, because they are the same for all lots.

Lot Lot 3. Equipment Management

Description

Managing the lifecycle of equipment, including procurement, storage, and disposal, e.g. a CAFM system.

Lot value (estimated)

- £2,250,000 excluding VAT
- £2,700,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 42965100 - Warehouse management system

Same for all lots

Contract locations, contract dates and options are shown in the Scope section, because they are the same for all lots.

Lot Lot 4. Safety Audits

Description

Conducting regular safety checks and audits of medical equipment.

Lot value (estimated)

- £2,250,000 excluding VAT
- £2,700,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 71630000 - Technical inspection and testing services

Same for all lots

Contract locations, contract dates and options are shown in the Scope section, because they are the same for all lots.

Lot Lot 5. Training

Description

Providing training to medical staff on the safe and effective use of medical devices.

Lot value (estimated)

- £2,250,000 excluding VAT
- £2,700,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 80510000 - Specialist training services

Same for all lots

Contract locations, contract dates and options are shown in the Scope section, because they are the same for all lots.

Lot Lot 6. Quality Management

Description

Implementing and maintaining quality management systems to ensure the delivery of high-quality services.

Lot value (estimated)

- £2,250,000 excluding VAT
- £2,700,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 79419000 - Evaluation consultancy services

Same for all lots

Contract locations, contract dates and options are shown in the Scope section, because they are the same for all lots.

Lot Lot 7. Document Control

Description

Managing and controlling documentation related to equipment and procedures.

Lot value (estimated)

- £2,250,000 excluding VAT
- £2,700,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 48311100 - Document management system

Same for all lots

Contract locations, contract dates and options are shown in the Scope section, because they are the same for all lots.

Lot Lot 8. Bespoke

Description

A combination of all or any of the above lots, including any value added/innovative service

Lot value (estimated)

- £2,250,000 excluding VAT
- £2,700,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 79421000 - Project-management services other than for construction work
- 79420000 - Management-related services
- 50421000 - Repair and maintenance services of medical equipment
- 50400000 - Repair and maintenance services of medical and precision equipment
- 50711000 - Repair and maintenance services of electrical building installations
- 50410000 - Repair and maintenance services of measuring, testing and checking apparatus
- 50430000 - Repair and maintenance services of precision equipment
- 48311100 - Document management system
- 63121100 - Storage services
- 90524400 - Collection, transport and disposal of hospital waste
- 71630000 - Technical inspection and testing services
- 71631000 - Technical inspection services

- 71317200 - Health and safety services
