Section II: Object

II.1) Scope of the procurement

II.1.1) Title

WO1998 - 60+ Extra Care Residential Redevelopment, Melksham

Reference number

DN738812

II.1.2) Main CPV code

- 71000000 - Architectural, construction, engineering and inspection services

II.1.3) Type of contract

Services

II.1.4) Short description

The Authority is seeking expression of interest to appoint a suitably qualified and experienced Main Contractor with proven capability for the purpose of the redevelopment of the Former Library Site at Lowbourne, Melksham, SN12 7DZ

The redevelopment will provide extra care housing with associated communal facilities and have developed a business case on redevelopment with a scheme of 60+ one and two bedroom apartments for affordable rent and shared ownership.

Wiltshire Council's aspiration is that the project delivers a landmark building with quality and accessibility at the forefront of design and with a well-considered integration of private and public spaces.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKK15 - Wiltshire CC

II.2.4) Description of the procurement

Wiltshire Council's Development Aspirations

Wiltshire Council is seeking to redevelop the site to provide extra care housing with associated communal facilities and have developed a business case on redevelopment with a scheme of 60+ one and two bedroom apartments for affordable rent and shared ownership.

Wiltshire Council's aspiration is that the project delivers a landmark building with quality and accessibility at the forefront of design and with a well-considered integration of private and public spaces.

Wiltshire Council does not require registration with, or assessment under, a prescribed sustainability scheme, such as BREEAM or Passivhaus. However, the scheme should be carbon neutral in operation with a preference for heat pump (possibly ground sourced) approach to space and water heating.

Budget

The business case for the development has been agreed on the basis of a total construction cost of £23,000,000 (twenty-three million pounds)

Contract

Initial design works will be procured under the terms of a 2016 JCT Pre-Contract Services Agreement (PCSA) with the subsequent construction completed under the Terms of a 2024 JCT DB Contract.

Programme

Key programme dates are as follows:

- Execution of PCSA - January 2025

- Commencement on site - June 2026
- Completion of build - December 2027

The Council is seeking to work with a design and construction partner from RIBA Stage 1 to develop proposals for the site, secure planning and ultimately deliver the build.

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 60

Price - Weighting: 40

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

24

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No
