II.1.4) Short description

The Local Authorities in Northern Ireland have developed a new enterprise support service 'ESS' which aims to put in place a more ambitious approach to the delivery of start-up and growth support which seeks to revamp the current offer and increase the number, survival and growth rates of new businesses across the region. The service aims to provide a set of connected ESS where individuals, entrepreneurs or businesses can access a continuum of support to meet their needs, aligned with the relevant stage of their business.

Given the varying needs of the individuals, entrepreneurs and businesses that will likely engage with this service across the business lifecycle, the Local Authorities have identified a need to put in place a framework which will:

- Be proactive and flexible to address market needs.
- Incentivise market development activity.
- Provide a core programme of service delivery across the region.
- Provide access to specialists in certain sectors / target groups.
- Be flexible in responding to future variability in demand and funding.

- Provide quality services that meet user needs; and
- Support the Local Authorities strategic ambitions aligned with The Northern Ireland Draft Programme for Government, 10x Economy – Northern Ireland’s Decade of Innovation, Economy 2030, draft Green Growth Strategy for Northern Ireland, Invest NI’s forward business plans, the City/Growth deals, and inclusive growth focus of the individual Council community plans.

The NIESS, which is described in greater detail in the Specification, will comprise the following three frameworks/ contracts which are being procured separately:

- i. NIESS Framework A (preferred Contractors) – Growth and Scaling;
- ii. NIESS Framework A (preferred Contractors) – Engage and Foundation; and
- iii. NIESS Framework B (Subject Matter Experts and Sector Experts);

This procurement relates to the NIESS Framework B (Subject Matter Experts and Sector Experts).

Approval to award a contract to the highest ranked Bidder for each Lot will be subject to internal approvals in line with Council procedures.

Following internal approvals to proceed with award of contract in accordance with the Regulations, there will be a standstill period of 10 calendar days following notification of award of the contract to the successful Bidder and the contract being entered into.

All Bidders for a Lot will be notified in writing via eSourcing NI at the start of the standstill period notifying them of the outcome of the evaluation exercise for that Lot, in accordance with the requirements of the Regulations.

Following the standstill period, subject to there being no substantive challenge to the decision and the Council's discretion not to award any contract, the contract between the Council and the successful Bidder will be entered into. This will be confirmed via eSourcing NI with an award letter.

Economic Operators are advised to seek their own legal advice regarding any further action they wish to take following notification of intent to award/ awarded of contract regarding this procurement.
