II.2.4) Description of the procurement

Stroud District Council currently manages one leisure centre, The Pulse in Dursley. From Q4 2024 the Council will take on the operation of a second leisure centre in the region, Stratford Park, in Stroud which is currently managed by Everyone Active.

Both centres currently use old, but different, versions of the Gladstone leisure management system. The Council now seeks a single integrated solution for both sites to replace the

current systems. Our intention is to first replace the system at The Pulse on 1st April 2024 and then implement the system in Stratford Park in Q4 2024.

It is anticipated that the implementation of the new system will improve the customer experience by providing an online self-service portal facilitating joining, bookings, payment administration (including direct debit management), account management, and will permit access to these facilities using a range of devices including smartphones.
