I.6) Main activity

Water

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Chemical Dosing, Polymer Dosing and Disinfection Equipment

Reference number

FA2089

II.1.2) Main CPV code

- 39330000 - Disinfection equipment

II.1.3) Type of contract

Supplies

II.1.4) Short description

Thames Water Utilities Limited intends to award multiple agreements to suppliers who can provide the following elements, either by themselves or working with 3rd party:

- Design, manufacture, delivery, installation, testing, and commissioning of dosing and/or disinfection systems as per the individual lots.
- Upgrades to existing dosing systems.
- Provision of spare parts and key components.
- Planned and reactive maintenance of technology to the required standards.

In addition to the above we are looking for a provider who can offer added benefit and value to this scope.

The purpose of this framework is to ensure compliance with legislation and to improve the ecological status of our water bodies.

Following lots are being offered:

Lot 1a Clean Water Gas Disinfection Equipment

Lot 1b Clean Water Liquid Disinfection Equipment

Lot 2a Wastewater Phosphorus- Removal Dosing Equipment

Lot 2b Wastewater Other Chemicals Dosing Equipment

Lot 3 Polymer Dosing Equipment

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Clean Water Gas Disinfection Equipment

Lot No

1a

II.2.2) Additional CPV code(s)

- 39330000 - Disinfection equipment

II.2.3) Place of performance

NUTS codes

- UKI - London
- UKJ - South East (England)

Main site or place of performance

Whole of the Thames Water Region

II.2.4) Description of the procurement

The design, manufacture, supply, installation, testing, commissioning, upgrades, provision of spare parts and key components, and both planned and reactive maintenance of gas disinfection equipment used at water treatment works.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £2,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

84

This contract is subject to renewal

Yes

Description of renewals

Thames Water envisages that the contract will be awarded for an initial term of 3 years with options to extend up to a maximum duration of 7 years.

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged number of candidates: 5

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: Yes

Description of options

Any agreement awarded would be for an initial duration of 3 years, with options to extend up to a maximum of 7years.

II.2) Description

II.2.1) Title

Clean Water Liquid Disinfection Equipment

Lot No

1b

II.2.2) Additional CPV code(s)

- 39330000 - Disinfection equipment
- 42993200 - Dosing plant

II.2.3) Place of performance

NUTS codes

- UKJ - South East (England)
- UKK - South West (England)

Main site or place of performance

Whole of the Thames Water Region

II.2.4) Description of the procurement

The design, manufacture, supply, installation, testing, commissioning, upgrades, provision of spare parts and key components, and both planned and reactive maintenance of liquid dosing and disinfection equipment used at water treatment works.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

84

This contract is subject to renewal

Yes

Description of renewals

Thames Water envisages that the contract will be awarded for an initial term of 3 years with options to extend upto a maximum duration of 7 years.

II.2.9) Information about the limits on the number of candidates to be invited

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

III.1.4) Objective rules and criteria for participation

List and brief description of rules and criteria

As detailed in section VI.3 & PQQ.

III.1.6) Deposits and guarantees required

Bonds and/or parent company guarantees of performance and financial standing may be required

III.1.7) Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

Specified in Invitation to Negotiate Document

III.1.8) Legal form to be taken by the group of economic operators to whom the contract is to be awarded

Consortia may be required to form a legal entity prior to award

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure with prior call for competition

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

Envisaged maximum number of participants to the framework agreement: 10

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Originally published as:

Date

23 September 2024

Local time

12:00pm

Changed to:

Date

14 October 2024

Local time

12:00pm

See the [change notice](#).

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: Yes

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

All suppliers who wish to respond to this contract notice must request a pre-qualification questionnaire (PQQ) by using the web link in Section I.3 (www.thameswater.co.uk/procurement).

From your response to the link in Section I.3 or above, Thames Water's Procurement Support Centre will send you an email providing login details for our eSourcing system (i.e. IASTA

Smartsource). To complete the PQQ you will need to login to IASTA Smartsource.

If the project requires it, you will receive an additional and separate survey to complete for Data Protection.

Note - The client may be Thames Water Utilities Limited or another company within the Kemble Water group structure

VI.4) Procedures for review

VI.4.1) Review body

Thames Water Utilities Limited

Reading

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Thames Water Utilities Limited will incorporate a standstill period at the point information on the award of the contract is communicated to tenderers. That notification will provide full information on the award decision. The standstill period, which will be for a minimum of 10 calendar days, provides time for unsuccessful tenderers to challenge the award decision before the contract is entered into.

The Utilities Contracts Regulations 2016 (SI 2016 No 274) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).
