## Section IV. Procedure

### IV.1) Description

#### IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The standstill period begins on the day after the publication of this notice. Representations by providers must be made to decision makers by 13th September. This contract has not yet formally been awarded; this notice serves as an intention to award under the PSR

#### IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

## Section VI. Complementary information

### VI.3) Additional information

Intention to use MSP Notice reference: 2024/S 000-022487

This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The standstill period begins on the day after the publication of this notice. Representations by providers must be made to the relevant authority by 13th September 2024 to [Lauren.Robinson@soeprocurement.nhs.uk](mailto:Lauren.Robinson@soeprocurement.nhs.uk).

This contract has not yet formally been awarded; this notice serves as an intention to award under the PSR

The award decision was approved by the following board:

HIOW ICB Procurement Group 29th August 2024

No conflicts of interest identified.

The key criteria was identified with the following priority.

Integration, collaboration and service sustainability - 4.

Improving access, reducing health inequalities and facilitating choice - 2.

Quality and innovation - 1.

value - 5.

social value - 3.

More Education (Koala) were the most suitable provider for Lot 1 because they had robust and embedded service and programme delivery, already meeting needs of cohort. Clearly defined how the support will be delivered, location of hub identified and accessible. They demonstrated existing relationships for signposting for support and detailed existing staff to support the running of the hubs.

Havant and East Hants Mind were the most suitable provider for Lot 2 because they were already an established service provider within Mental Health community, addressing needs of Neuro Divergent cohort and demonstrating a clear understanding and

differentiating of Neuro Divergent vs Mental Health. Clear, robust evidence of service provision and how they will deliver. Locations of hubs identified and accessible. Demonstrated existing partnerships with community provision for activities and existing staff to support the running of the hubs.
