Yes

Description of renewals

The initial construction period is expected to run from April 2023 to March 2027, followed by the Nominations Agreement which is for 25 years with the right to extend annually.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

The Tender has been issued by Dorset Council in accordance with the Open Procedure under the Public Contract Regulations 2015 ("the Regulations").

Dorset Council requires that the Tenderer or consortium must satisfy one of the following three scenarios. Scenarios 1) and 3) are preferred:

1) Be a Registered Provider of Housing, with a regulatory grading of G1/V1 (for RPs with

1000 or more social housing units), subject to no Regulatory Notices, and able to access Homes England grant funding to deliver affordable homes

2) If a consortium, the consortium must include a named Registered Provider of Housing who will be contractually responsible to Dorset Council for the housing nominations agreement. This RP will have a regulatory grading of G1/V1 (for RPs with 1000 or more social housing units), subject to no Regulatory Notices, and be able to access Homes England grant funding to deliver affordable homes. Dorset Council will require information as part of the tender submission about the proposed structure of the consortium, the roles and responsibilities of the parties, allocation of risk between the parties and the proposed ownership of and interest in the site as between the consortium members. In order to be satisfied that the proposed consortium structure will not adversely impact the risk profile of the arrangements to Dorset Council. Award of the contract will be conditional on the Consortium agreements being secured .

3) Be in the same group as a Registered Provider of Housing, with a regulatory grading of G1/V1 (for RPs with 1000 or more social housing units), subject to no Regulatory Notices, and able to access Homes England grant funding to deliver affordable homes. The RP will be contractually responsible to Dorset Council for the Housing nominations agreement.

This procurement specifically relates to development of the former Wareham Middle School site, on Worgret Road in Wareham. However, Dorset Council owns other sites in Wareham and wishes to reserve the right to appoint the successful tenderer to carry out future phases of development as part of this contract opportunity.

Future phases would be additional residential development, consisting of a mix of market, affordable, and specialist supported housing on other sites owned by Dorset Council within the town of Wareham. We estimate that the development value of these opportunities between £15m and £60m.

Before deciding to pursue this option, Dorset Council will consider the performance of the Developer to implement and deliver the contract for the Middle School development. The Council reserves the right to market alternative development sites separately. Further details about the circumstances in which Dorset Council may exercise the option are set out in the procurement documents

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

The successful bidder, whether a single party or a consortium, may be required to provide a parent company guarantee or other form of surety (in a form acceptable to the Council). Further details can be found in the procurement documents.
