Ref 269

#### **II.1.2) Main CPV code**

- 45232141 - Heating works

#### **II.1.3) Type of contract**

Works

#### **II.1.4) Short description**

The Lancaster West Estate in North Kensington is undergoing a comprehensive refurbishment of its social housing and landscaping with a deep energy retrofit to improve its energy performance.

The Notting Dale Heat Network is to be delivered and operated by a Special Purpose Vehicle (SPV) wholly owned by the Council, Notting Dale Heat Network Ltd.

It is RBKC's ambition that it will be the most reliable and proactively maintained heat network in the UK.

The initial phase of the Project is to serve the Lancaster West Estate (LWE) for which the intended heat users include around 800 residential units, a school, a large Council-owned leisure centre and business units for SMEs (Baseline Studios).

The Authority is conducting procurement for the design and construction of the Tertiary Networks and all internal (above ground) sections of the Secondary Networks within the Notting Dale Heat Network.
