**II.1.4) Short description**

WRAP, working on behalf of the Northern Ireland Department of Agriculture, Environment

and Rural Affairs (DAERA) wishes to commission a commercial and industrial (C&I) waste survey for waste arising in the 2024 calendar year. The most recent survey estimates for Northern Ireland are based on modelling conducted using data from the England 2009 commercial and industrial waste survey. The main aims of the project are to determine how much waste from C&I businesses in Northern Ireland was produced by waste type and sector and how that waste was managed during the 2024 calendar year. The successful tenderer will be contracted to commence work in Q1 of the 2025/26 calendar year, with a proposed project delivery time frame of 18 months from inception and anticipated value of £400,000.
