How to access questionnaire has been included

Scope

Reference

SOL - 22690

Description

Solihull Council wants to engage with the market to determine what model would be most effective in delivering personalised housing related support for young people without dependents who are homeless / at risk of homelessness, and whether anything else needs to be considered in the development of the service specification. We want to learn from organisations currently delivering services for our target client groups. This market engagement also provides the opportunity for organisations to specify their interest in delivering services in Solihull.

Total value (estimated)

- £4,400,000 excluding VAT
- £5,280,000 including VAT

Above the relevant threshold
