### **II.2.4) Description of the procurement**

Transport Scotland is an agency of the Scottish Government and contracts in the name of and on behalf of the Scottish Ministers. Transport Scotland has identified the requirement to appoint a suitably experienced Contractor to design & build a new dual carriageway between the village of Tomatin to the south and Moy to the north.

The Contractor will be procured through a Competitive Dialogue procedure, in accordance with the Public Contracts (Scotland) Regulations 2015. Transport Scotland will manage the proposed procurement process for the A9 Dualling: Tomatin to Moy contract on behalf of the Scottish Ministers. In the event of a Contract award, the Contract will be entered into between the Scottish Ministers and the successful tenderer.

The procurement process leading to the award of the Contract will comprise the following:

1. Prequalification (SPD)
2. Competitive Dialogue (approx. 16 weeks)
3. Tender (approx. 4 weeks)
4. Award

Detailed information regarding the award process and award criteria for the tender phase will be supplied to economic operators who are invited to participate in dialogue.

Transport Scotland shall notify Participants when the Competitive Dialogue phase has concluded and invite the Participants who have presented an acceptable solution to submit a final tender.

Due to the project's complexity, the Contract requires to be performed by a single entity and as such shall not be divided into lots.

It is intended that the Contract will include the design and construction of the works which will last approximately 3 years, followed by a 5-year period of maintenance including defect correction and establishment of landscaping. The successful tenderer will not be required to carry out cyclic maintenance.

The intended form of contract is to be an NEC4 Engineering and Construction Contract (ECC) Option A: priced contract with activity schedule with amendments. Contract documentation will be provided at ITPD stage to shortlisted participants, however the DRAFT conditions of contract will be made available for all economic operators to review within the Information Pack. Refer to Section VI.3) for further information on how to access to the Information Pack.

Transport Scotland is providing a DRAFT of its conditions of contract to ensure prospective economic operators are informed as early as possible of the proposed contract. The DRAFT conditions of contract are subject to change and no obligation, liability, duty of care or responsibility to any party is created by or shall arise out of this.

Selected Participants, following the Competitive Dialogue stage, shall be invited to submit

a final tender on the same contract terms and conditions.

To be considered for the prequalification stage, economic operators are required to complete and submit a Single Procurement Document (SPD) in accordance with this Contract Notice and the Supplementary Information Document (SID) which can be accessed via the Additional Documents located within the Additional Notice Options, this can be downloaded via the Public Contracts Scotland portal ([www.publiccontractsscotland.gov.uk](http://www.publiccontractsscotland.gov.uk)).

Economic operators shall be evaluated in accordance with the Public Contracts (Scotland) Regulations 2015, on the basis of the information they have provided within the SPD.

#### **II.2.5) Award criteria**

Quality criterion - Name: Criteria including approach to delivery&management, technical aspects, construction, commercial, risk and sustainability aspects of the project. Further detail will be issued to shortlisted bidders. / Weighting: 50

Cost criterion - Name: Final tenders will be assessed against evaluation criteria to determine the most economically advantageous submission. Further information will be issued to shortlisted bidders. / Weighting: 50

#### **II.2.11) Information about options**

Options: No

#### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

#### **II.2.14) Additional information**

Any economic operator who meets the selection criteria set out in the tender documents at the initial evaluation but subsequently, prior to contract award, fails to meet such criteria, shall be excluded from this procurement competition.

## Section VI. Complementary information

### VI.3) Additional information

For additional information, refer to the Supplementary Information Document available via the Additional Documents, located within the Additional Notice Options of the Public Contracts Scotland portal.

To be considered for this procurement competition, economic operators should complete an SPD through the Public Contract Scotland portal and submit the completed SPD by no later than 12 noon BST on 11 October 2023. The deadline to submit questions relating to the submission is 12 noon BST on 29 September 2023

Transport Scotland shall implement a Participation Costs reimbursement mechanism for Tenderers who submit a compliant Tender submission but are unsuccessful, up to a maximum cap of 200,000GBP. This capped reimbursement will be in respect of Participation Costs in the circumstances and on the terms set out in a dedicated Participation Agreement which will be issued to tenderers at Invitation to Participate in Dialogue stage.

For clarity, the term “Participation Costs” is anticipated to mean:

1. the Tenderer’s actual incurred external costs (including in relation to technical due diligence, geotechnical investigation, design, design check and road safety audit consultants);
2. the Tenderer’s disbursements (including travel and accommodation costs); and
3. the Tenderer’s direct internal costs such as staff time (as recorded in time sheets by those staff working in respect of the Procurement Process);

provided that all of the above (i) have arisen directly from and during the Tenderer's involvement in the Procurement Process before the occurrence of one of the events set out in the relevant clauses within the Participation Agreement in Clause 3 or Clause 4 and (ii) in the reasonable opinion of the Scottish Ministers, have been reasonably, properly and demonstrably incurred by the Tenderer or which, in the reasonable opinion of the Scottish Ministers, are reasonably, properly and demonstrably due to be paid by the Tenderer. Head office overheads and head office management costs of the Tenderer, Member and/or its or their Associates, financing charges and profit (including any uplift or other profit sharing arrangement) shall not be Participation Costs.

A project Information Pack will be made available to all prospective economic operators on 11 September 2023. Detail on the Information Pack will be in the Supplementary

Information Document. This information is supplied without warranty and Transport Scotland shall be under no liability for any error, misstatement or omission of such information. To register to obtain access to this Information Pack on 11 September 2023, prospective economic operators are requested to contact [PDC@transport.gov.scot](mailto:PDC@transport.gov.scot).
