Internet address(es)

Main address

<http://in-tendhost.co.uk/mutual-energy/>

I.3) Communication

Additional information can be obtained from the above-mentioned address

I.4) Type of the contracting authority

Other type

Utilities

I.5) Main activity

Other activity

Production, transport and distribution of gas and heat

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Submarine Survey Services 2022

II.1.2) Main CPV code

- 71354500 - Marine survey services

II.1.3) Type of contract

Services

II.1.4) Short description

Interconnector Services Ltd wish to procure a contract for the delivery of Submarine Survey Services during 2022, for the assets of its affiliated companies, namely the Moyle Interconnector electricity cable system, and gas assets - the Scotland to Northern Ireland Pipeline, Belfast Lough Crossing and Larne Lough Crossing. The surveys are likely to include end to end condition / depth of burial surveys, including visual, bathymetry and cathodic protection fitness for purpose and subsequent delivery of associated reports, charts and data as appropriate. This is not the commencement of the Procurement Process. A Contract Notice will be published, through our procurement system In-Tend, along with the associated procurement documentation December 2021. The procurement documents will include a Project Information Memorandum (PIM) and a Pre-Qualification Questionnaire (PQQ). We expect the formal procurement process to commence December 2021

II.1.5) Estimated total value

Value excluding VAT: £1,750,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 44161410 - Subsea pipelines

- 71353100 - Hydrographic surveying services
- 76600000 - Pipeline-inspection services
- 31321500 - Submarine cable
- 71631000 - Technical inspection services
- 76520000 - Offshore services

II.2.3) Place of performance

NUTS codes

- UKN - Northern Ireland

Main site or place of performance

Irish Sea

II.2.4) Description of the procurement

It is envisaged the procurement will follow a Negotiated Procedure (with call for competition). There will be a Request to Participate stage, after which a select number of Economic Operators will advance to the Invitation to Negotiate stage. It is anticipated that the contract will be a lump sum price for the works, but that price will not be the only factor in the award decision. A Contract Notice will be published in December 2021, indicating the beginning of the procurement process and confirming the specific details of such.

II.3) Estimated date of publication of contract notice

1 December 2021

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No
