Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The Isle of Wight Council owns the licenses to use Capita's Education Management System (EMS) and to enable the Council to continue use of the licenses we need to have a Support and Maintenance contract in place. The only supplier capable of providing this requirement is Capita, as any other supplier used for the provision of the support and maintenance would invalidate the licenses. The Isle of Wight Council has direct awarded the contract for the Support and Maintenance of the Education Management System for the Isle of Wight Council under the KCS Procurement Services framework Y20023 (The Provision of Managed Services for Business Solutions). The Isle of Wight Council meets the criteria against which to direct award under the KCS Procurement Services framework Y20023, which includes continuity of existing goods/services from an awarded supplier, goods/services required are unique/exclusive to one manufacturer/supplier, the supplier is able to supply the required goods/services within the customers timescales and the customer is satisfied that, following their own due diligence, they can identify the supplier that offers best value for their requirement. The Isle of Wight Council issued a VEAT notice on 17th March 2023 (2023/S 000-007838) and observed a 10-day standstill period which ended at midnight on 27th March 2023.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information
