Description

This equipment is for the Department of Communications, Drama and Film where it will fulfil a number of purposes. The ETC control desk is replacing an older console in our main performance space and will give students the opportunity to work with industry-standard state-of-the-art lighting programming equipment. The profiles, wash lights and fresnels will be spread across our 6 practical studio spaces to be used for events, performances and video shoots. These are adding to our existing stock of the same equipment, which we have been using for the last couple of years <https://uk.eu-supply.com/ctm/supplier/publictenders?B=UK> quote and include https://
