II.2.4) Description of the procurement

The City of Edinburgh Council requires the construction of 27 new-build light industrial buildings within the Craigmillar area of Edinburgh. These units are being built to create much needed rental accommodation to help support local businesses and start-ups.

The project brief was developed with The Council's Estates team to match a similar project that was completed in 2017. The brief allows for a basic unit to be created that tenants can use as is or look to fit-out to suit their own individual needs.

The units have been designed to allow for the following:

Open plan main space

Formation of accessible WC

Allowance in drainage for installation of tea prep/kitchenette

Sectional overhead roller shutter and entrance/escape doors as appropriate

The units have been developed with infrastructure to allow future installation of the following:

ASHP (or equivalent)

Ventilation Unit

Additional PV
