NHS Hampshire and Isle of Wight (NHS HIOW) is seeking the views of Providers with regards to their Individual Placement and Support (IPS) services via this Request for Information (RFI).

IPS is an employment support service integrated within primary care and community mental health teams for people who experience severe mental illness (SMI). It is an evidence-based programme that aims to help people find and retain employment and works to a fidelity framework.

This RFI is designed to help the Commissioner form a view of the best way to commission the service and is not the beginning of a Tender exercise. A further Tender advertisement will be issued at the appropriate time where required. Your feedback at this point will not have a bearing on any future Tender submissions you may wish to offer at a later date. You will not be disadvantaged if you choose not to respond to this RFI but it will be helpful to understand your views and level of interest at this early stage, so you are encouraged to respond as fully as you can.

A draft copy of the specification is embedded in the RFI document and can be accessed via our eTendering portal.

Please complete your response and return via the 'Correspondence' facility of our eTendering Portal, using the reference: F16906A IPS RFI by 1200 midday on Tuesday 17th September 2024
