- 45210000 - Building construction work

II.2.3) Place of performance

NUTS codes

- UKH - East of England

II.2.4) Description of the procurement

This is not a competition but a soft market testing exercise.

Peterborough City Council are looking to appoint a shop-fitting contractor to deliver works at Bridge Street. Bridge Street is a busy shopping street central to the city centre of Peterborough. The pedestrianised boulevard is lined with a series of mature trees, which provide greenery and shade for passing shoppers. Grouped into fours, the trees create a number of open spaces along the street; this provides an opportunity to introduce a series of external market stalls, enhancing the activity of the street to create a continuously busy and dynamic space. A number of vacant shopping units such as units 33-37 may provide new retail opportunities, which could work in parallel with the outdoor market stalls to breath new life into the area, and diversify the retail offering.

To participate, please express interest in the opportunity via the ProContract platform here:

<https://procontract.due-north.com/Advert?advertId=45abcca3-873d-ec11-810e-005056b64545>

If you do not have a account for the ProContract platform you can register free-of-charge here: <https://procontract.due-north.com/Register>

The deadline to register your expression of interest and submit your response to this soft market test is 26/11/2021 at 12 Noon.
