Section VI. Complementary information

VI.3) Additional information

SPD Question 2.C.1 Reliance on the capacities of other entities -

Bidders are required to complete a full SPD for each of the entities whose capacity they rely upon.

Subcontractors on whose capacity the bidder does not rely

Bidders who are selected to submit an ITT will be asked whether they intend to subcontract within the ITT (Stage 2) Tender. A shortened version of the SPD covering the exclusion grounds will require to be completed by each Subcontractor so identified and uploaded within the ITT (Stage 2) Technical Envelope.

Exclusion Criteria –

Economic operators may be excluded from this competition if they are in any of the situations referred to in regulation 58 of the Public Contracts (Scotland) Regulations 2015.

SPD Questions 3A – 3C have been identified as mandatory exclusion grounds and SPD Questions 3D have been identified as discretionary exclusion grounds. All the exclusion grounds will be assessed on a PASS/FAIL basis. For the mandatory exclusion grounds a bid will be excluded where the bidder fails to provide either a positive response or to provide details to the satisfaction of the Council of the self cleansing measures undertaken. For the discretionary exclusion grounds a bid may be excluded where the bidder fails to provide either a positive response or if the Council is not satisfied as to the self cleansing measures undertaken.

Scots Law will apply.
