Description

The Defence Science and Technology Laboratory (Dstl) is an Executive Agency of the Ministry of Defence (MOD), employing approximately 5000 staff across two core sites. Dstl exists to supply the very best impartial scientific and technical research and advice to the MOD and other government departments. Dstl is committed to providing sustainable travel options to its employees under its Travel Plan, with the aim of reducing the number of single occupancy vehicles traveling to Dstl sites. Dstl has committed to provide Dstl staff with an accessible bus/coach service from agreed locations to its sites. The current services are:

- Porchester - 21 journeys per day.
- Southsea - 4 Journeys per day.

- Porton Down - 9 Journeys per day.

Dstl requires a bus/coach service from agreed locations to its core sites as part of its commitment to reduce the number of single occupancy vehicles travelling to Dstl sites.

The sites are as follows:

- Porton Down, Salisbury, Wiltshire, SP4 0JQ (3 Routes)
- Portsdown West, Fareham, Hampshire , PO17 6AD (2 Routes)

Total value (estimated)

- £170,000 excluding VAT
- £204,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 1 October 2025 to 30 September 2028
- Possible extension to 30 September 2030
- 5 years

Description of possible extension:

Two firm priced option period of 12 months.

Options

The right to additional purchases while the contract is valid.

Two firm priced option period of 12 months.

Other information

Conflicts assessment prepared/revised

Yes

Procedure

Procedure type

Competitive flexible procedure

Competitive flexible procedure description

Dstl is seeking to run this tender exercise using the following processes;

1) Procurement Specific Questionnaire (PSQ) - Dstl will be pre-qualifying the potential tenderers against the conditions of participation. This is published on the DSP under 'PA0000003042 - Dstl Shuttle Service - Procurement Specific Questionnaire' <https://contracts.mod.uk/go/14806850019717362081>

2) Invitation to Tender - This will be assessed using the Most Advantageous Tender (MAT)

where suppliers will be asked to respond to a series of technical and social value questions

and provide Dstl with a firm price to deliver the statement of requirements.

Noting Dstl reserve the right refine the sub criteria and weightings in accordance with the Procurement Act.

Justification for not publishing a preliminary market engagement notice

No formal Preliminary Market Engagement has been conducted under the Procurement Act, however the requirement is well understood and considered simple in nature. The timelines associated with this procurement do not allow sufficient time for this activity, given the service requires mobilisation before 01 October 2025.

Documents

Documents to be provided after the tender notice

The documents will be issued via Defence Sourcing Portal to those suppliers who achieve a PASS against the Project Specific Questionnaire.
