Regional or local authority

**I.5) Main activity**

Health

---

## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Renal Dialysis Satellite Unit - Chandlers Ford

Reference number

C301004

#### **II.1.2) Main CPV code**

- 85100000 - Health services

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

Portsmouth Hospitals University NHS Trust currently has four sites outsourced for the delivery of Dialysis Services. Whilst three sites remain in contract until 2030, the location of Chandlers Ford expires in March 2025. There is still a need for the Trust to access this location and services, therefore we intend to enter into a new contract with the incumbent supplier using the Provider Selection Regime (PSR) 2024 using process Direct Award C.

#### **II.1.6) Information about lots**

This contract is divided into lots: No

#### **II.1.7) Total value of the procurement (excluding VAT)**

Value excluding VAT: £8,052,454.80

### **II.2) Description**

#### **II.2.2) Additional CPV code(s)**

- 33692800 - Dialysis solutions

- 85111900 - Hospital dialysis services

### **II.2.3) Place of performance**

NUTS codes

- UKJ3 - Hampshire and Isle of Wight

Main site or place of performance

Chandler's Ford, Eastleigh, Hampshire.

### **II.2.4) Description of the procurement**

Portsmouth Hospitals University NHS Trust currently has four sites outsourced for the delivery of Dialysis Services. Whilst three sites remain in contract until 2030, the location of Chandlers Ford expires in March 2025. There is still a need for the Trust to access this location and services, therefore we intend to enter into a new contract with the incumbent supplier using the Provider Selection Regime (PSR) 2024 using process Direct Award C.

The new contract will be awarded based on three initial years, then two subsequent optional extension periods of twelve months. The total potential lifetime of the contract is five years with a potential lifetime value of £8,052,454.80. The contract must start from 1 April 2025 to enable continuous service delivery to patients.

### **II.2.5) Award criteria**

Price

### **II.2.11) Information about options**

Options: Yes

Description of options

The initial term of the proposed contract is three years with up two optional twelve month extension periods.

---

## Section IV. Procedure

### IV.1) Description

#### IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The standstill period begins on the day after the publication of this notice. Representations by providers must be made to decision makers by 16:00 on 13 September 2024. This contract has not yet formally been awarded; this notice serves as an intention to award under the PSR.

#### IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

---

## Section VI. Complementary information

### VI.3) Additional information

This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The standstill period begins on the day after the publication of this notice. Representations by providers must be made to decision makers by 16:00 on 13 September 2024. This contract has not yet formally been awarded; this notice serves as an intention to award under the PSR.

The email address where written representations should be sent is

[Katie.Marke@porthosp.nhs.uk](mailto:Katie.Marke@porthosp.nhs.uk)

The award decision-makers are the Renal Department, Queen Alexandra Hospital.

There are no declared conflicts or potential conflicts of interest of individuals making the decision related to this award. However, prior to the project commencing, when forming the project group, one conflict of interest was identified, therefore this person did not participate in the process and was excluded.

In reviewing the Key Criteria, Quality and Innovation is considered the most important, followed by value and improving access, reducing health inequalities and facilitating choice due to the nature of the services provided.

### VI.4) Procedures for review

#### VI.4.1) Review body

This is not mandatory under the Provider Selection Regime 2024.

This is not mandatory under the Provider Selection Regime 2024.
