Value excluding VAT: £10,500,000

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKG31 - Birmingham

Main site or place of performance

Birmingham

II.2.4) Description of the procurement

The University needed to procure a supplier that will deliver a Network Infrastructure Refresh. The selected supplier will assist the University in providing industry guidance and advice, implementing the solution, building a software defined network, the provision of hardware, and ongoing support and maintenance of the network.

The current University network is approaching end of life. To ensure the University has a network capable of delivering the existing services and future expectations of stakeholders, this Business Case recommends investment in a modern Software Defined network for an expected minimum contract life of 5 years, with an option to extend for a further two years, on an annual basis.

II.2.5) Award criteria
