III.2.2) Economic and financial ability

Criteria regarding the economic and financial standing of economic operators (that may lead to their exclusion)

Information and formalities necessary for evaluating if the requirements are met: a)

Appropriate statements from the economic operator's bankers or where appropriate, evidence of relevant professional risk indemnity insurance;

(b) The presentation of balance-sheets or extracts from the balance-sheets, where publication of the balance-sheet is required under the law of the country in which the economic operator is established;

(c) where ap

propriate, a statement, covering the three previous financial years of the economic operator, of:(i) the overall turnover of the business of the economic operator; and (ii) where appropriate, the turnover in respect of the work, works, goods or services which are of a similar type to the subject matter of the contract.

Minimum level(s) of standards possibly required: Candidates will be required to sign a declaration confirming whether they do or do not have any of the listed criteria as part of the pre-qualification process

Criteria regarding the economic and financial standing of subcontractors (that may lead to their exclusion)

Information and formalities necessary for evaluating if the requirements are met: a)
Appropriate statements from the economic operator's bankers or where

appropriate, evidence of relevant professional risk indemnity insurance;

(b) The presentation of balance-sheets or extracts from the balance-sheets, where publication of the balance-sheet is required under the law of the country in which the economic operator is established;

(c) where ap

propriate, a statement, covering the three previous financial years of the economic operator, of:(i) the overall turnover of the business of the economic operator; and (ii) where appropriate, the turnover in respect of the work, works, goods or services which are of a similar type to the subject matter of the contract.

Minimum level(s) of standards possibly required: Candidates will be required to sign a declaration confirming whether they do or do not have any of the listed criteria as part of the pre-qualification process

III.2.3) Technical and/or professional capacity

Criteria regarding the technical and/or professional ability of economic operators (that

may lead to their exclusion)

Information and formalities necessary for evaluating if the requirements are met: a) in the case of a supply contract requiring the siting or installation of goods, a services contract or a

works contract, the economic operator's technical ability, taking into account in particular that

economic operator's skills, efficiency, experience and reliability;

(b) a list of works carried out over the past five years together with (unless the contracting authority

specifies that the following certificate should be submitted direct to the contracting authority by the

person certifying) certificates of satisfactory completion for the most important of those works

indicating in each case: (i) the value of the consideration received; (ii) when and where the work or

works were carried out; and (iii) specifying whether they were carried out according to the rules of the

trade or profession and properly completed;

(c) a statement of the principal goods sold or services provided by the supplier or the services provider

in the past five years, or during a shorter period if necessary, and: (i) the dates on which the goods

were sold or the services provided; (ii) the consideration received; (iii) the identity of the person to

whom the goods were sold or the service were provided; (iv) any certificate issued or countersigned by

that person confirming the details of the contract for those goods sold or services provided; and (v)

where - (a) that person was not a contracting authority, and (b) the certificate referred to in

subparagraph

(c)(iv) is not available, any declaration by the economic operator attesting the details of the

goods sold or services provided;

(d) a statement of the technicians or technical services available to the economic operator to: (i) carry

out the work under the contract, or (ii) be involved in the production of goods or the provision of

services under the contract, particularly those responsible for quality control, whether or not they are

independent of the economic operator;

(e) a statement of the economic operator's: (i) technical facilities; (ii) measures for ensuring quality; (iii)

study and research facilities; and (iv) internal rules regarding intellectual property;

(f) a check carried out by the contracting authority or on its behalf by a competent official body of the

member State in which the economic operator is established: (i) on the technical capacity of the

economic operator; and (ii) if relevant, on the economic operator's study and research facilities and

quality control measures;

(g) in the case of works contracts, services contracts or supply contracts also covering siting and

installation operations or services, the economic operator's educational and professional qualifications

where the economic operator is an individual and: (i) if any, those of the economic operator's

managerial staff; and (ii) those of one or more persons who would be responsible for

providing the

services or carrying out the work or works under the contract;

(h) the environmental management measures, that the economic operator is able to apply when

performing the contract, but only where it is necessary for the performance of that contract;

(i) a statement of the services provider's or contractor's average annual number of staff and

managerial staff over the previous three years;

(j) a description of the tools, material, technical equipment, staff numbers, know-how and sources of

supply (with an indication of their geographical location when it is outside the territory of the EU)

available to the economic operator to perform the contract, cope with any additional needs required

by the contracting authority as a result of a crisis or carry out the maintenance, modernisation or

adaptation of the goods covered by the contract;

(k) any samples, descriptions and photographs of the goods to be purchased or hired under the

contract and certification of the authenticity of such samples, descriptions or photographs;

(l) certification by official quality control institutes or agencies of recognised competence, attesting

that the goods to be purchased or hired under the contract conform to standards and technical

specifications (within the meaning of regulation 12(1)) identified by the contracting authority;

(m) in the case of contracts involving, entailing or containing classified information,

evidence of the

ability to process, store and transmit such information at the level of protection required by the

contracting authority;

(n) a certificate: (i) attesting conformity to quality management systems standards based on the

relevant European standard; and (ii) from an independent accredited body established in any member

State conforming to the European standards concerning accreditation and certification;

(o) any other evidence of conformity to quality management systems standards which are equivalent to

the standards referred to in sub-paragraph (n)(i);

Information and formalities necessary for evaluating if the requirements are met:

As requested at a. Pre-Qualification Questionnaire stage and b. Invitation to Tender (ITT) Stage for

those companies down selected to participate in the ITT Stage

Minimum level(s) of standards possibly required: Candidates will be required to sign a declaration confirming whether they do or do not have any of the listed criteria as part of the pre-qualification process

Criteria regarding the technical and/or professional ability of subcontractors (that may lead to their rejection)

Information and formalities necessary for evaluating if the requirements are met: a) in the case of a supply contract requiring the siting or installation of goods, a services contract or a

works contract, the economic operator's technical ability, taking into account in particular that

economic operator's skills, efficiency, experience and reliability;

adaptation of the goods covered by the contract;

(k) any samples, descriptions and photographs of the goods to be purchased or hired under the

contract and certification of the authenticity of such samples, descriptions or photographs;

(l) certification by official quality control institutes or agencies of recognised competence, attesting

that the goods to be purchased or hired under the contract conform to standards and technical

specifications (within the meaning of regulation 12(1)) identified by the contracting authority;

(m) in the case of contracts involving, entailing or containing classified information, evidence of the

ability to process, store and transmit such information at the level of protection required by the

contracting authority;

(n) a certificate: (i) attesting conformity to quality management systems standards based on the

relevant European standard; and (ii) from an independent accredited body established in any member

State conforming to the European standards concerning accreditation and certification;

(o) any other evidence of conformity to quality management systems standards which are equivalent to

the standards referred to in sub-paragraph (n)(i);

Information and formalities necessary for evaluating if the requirements are met:

As requested at a. Pre-Qualification Questionnaire stage and b. Invitation to Tender (ITT) Stage for

those companies down selected to participate in the ITT Stage

Minimum level(s) of standards possibly required: Candidates will be required to sign a declaration confirming whether they do or do not have any of the listed criteria as part of the pre-qualification process

III.3) Conditions specific to services contracts

III.3.1) Information about a particular profession

Execution of the service is reserved to a particular profession: No

Section IV: Procedure

IV.1) Type of procedure

IV.1.1) Type of procedure

Restricted

IV.1.2) Limitations on the number of operators who will be invited to tender or to participate

Envisaged number of operators: 6

Objective criteria for choosing the limited number of candidates: PQQ Technical Qualification - Questions will be scored on meeting minimum scoring criteria on a Pass/Fail basis

IV.1.3) Reduction of the number of operators during the negotiation or dialogue

Recourse to staged procedure to gradually reduce the number of solutions to be discussed or tenders to be negotiated: no

IV.2) Award criteria

IV.2.1) Award criteria

the criteria stated in the specifications, in the invitation to tender or to negotiate or in the descriptive document

IV.2.2) Information about electronic auction

An electronic auction has been used: no

IV.3) Administrative information

IV.3.1) File reference number attributed by the contracting authority

701577561 - ADEWS/103 Contractual Logistical Support of T101 Radars in Falkland Islands

IV.3.2) Previous publication(s) concerning the same contract

no

IV.3.4) Time limit for receipt of tenders or requests to participate

10 December 2021 - 11:00am

IV.3.6) Language(s) in which tenders or requests to participate may be drawn up

English

Section VI: Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.2) Information about European Union funds

The contract is related to a project and/or programme financed by European Union funds:
No
