VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the

contract):

The variation is designed to facilitate the delivery of additional interventions during the 2025/26 financial year, enhancing the existing service provision. This will support Camden in achieving the required outcomes set out in the Drug and Alcohol Treatment and Recovery Improvement (DATRI) Grant Plan, which forms part of the National Drug Strategy (2021).

The existing contract allows for adjustments during Years 1 to 3 to accommodate allocations from the Supplementary Substance Misuse Treatment and Recovery Grant.

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

The proposed variations fall within the scope of Regulation 13(1) of The Health Care Services (Provider Selection Regime) Regulations 2023. The potential adjustments arising from allocations under the Supplementary Substance Misuse Treatment and Recovery Grant were explicitly outlined in the original contract notice and procurement documents. Bespoke contractual clauses were incorporated to define the scope and nature of these possible modifications and interventions, ensuring alignment with the objectives of the national Drug Strategy. These modifications do not alter the fundamental nature of the original contract.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £53,337,719.25

Total contract value after the modifications

Value excluding VAT: £55,998,045.25
