General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Internet of Things

Reference number

SP-18-033

II.1.2) Main CPV code

- 72000000 - IT services: consulting, software development, Internet and support

II.1.3) Type of contract

Services

II.1.4) Short description

The Authority is further extending its collaborative Dynamic Purchasing System (DPS) for Internet of Things (IoT) for an additional 12 months until 19 September 2025. The DPS will remain open for new suppliers to apply to join. The Authority wishes to take this opportunity to refresh the supplier list to ensure current suppliers retain the minimum qualifying criteria, still have up-to-date contact details and still wish to remain as a supplier. Accordingly, suppliers that are currently on the DPS are required to refresh and resubmit their European Single Procurement Document (ESPD) in order to remain as a DPS supplier. There is no need to resubmit any case study evidence for current suppliers. Current suppliers are required to submit an updated ESPD within four weeks of this Contract Notice being issued. Failure to do so will result in current suppliers being removed from the DPS. Full details of the requirement can be found on a previous Contract Notice which was issued on 5 July 2019, details as follows:

OJEU Number: 2019/S 128 313539

Reference Number/Notice ID: JUL359513

OCID: ocids-r6ebe6-0000587430

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

This is a recurrent procurement: Yes

Estimated timing for further notices to be published: August 2025

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

This notice formally further extends the Scottish Government collaborative Dynamic Purchasing System (DPS) for Internet of Things (IoT) for an additional 12 months until 19 September 2025. The DPS will remain open for new suppliers to apply to join. The Authority wishes to take this opportunity to refresh the supplier list to ensure existing suppliers retain the minimum qualifying criteria, still have up-to-date contact details and still wish to remain as a supplier. Accordingly, suppliers that are currently on the DPS are required to refresh and resubmit their European Single Procurement Document (ESPD) in order to remain as a DPS supplier. There is no need to resubmit any case study evidence for current suppliers. Current suppliers are required to submit an updated ESPD within four weeks of this Contract Notice being issued. Failure to do so will result in current suppliers being removed from the DPS. Further details including a supplier guide and current supplier list can be found at the following URL - <https://www.gov.scot/publications/internet-of-things-iot-technologies-and-services-dynamic-purchasing-system/>, and full details of the requirement can be found on a previous Contract Notice which was issued on 5 July 2019, details as follows:

OJEU Number: 2019/S 128 313539

Reference Number/Notice ID: JUL359513

OCID: ocds-r6ebe6-0000587430

For information, the reference to the Scottish Business Pledge within Public Contracts Scotland-Tender is no longer valid and should be ignored.

A sub-contract clause has been included in this contract. For more information see:
<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2363>

Community benefits are included in this requirement. For more information see:
<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

Community Benefits requirements will be determined at each individual call-off contract.

(SC Ref:775371)
