Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Strategic Learning Partner (via Learning Management System implementation)

Reference number

IMT 21/22.1

II.1.2) Main CPV code

- 72266000 - Software consultancy services

II.1.3) Type of contract

Services

II.1.4) Short description

We are seeking a supplier who will: lead on our digital transformation programme to achieve our desired target state, including LMS at its core; be a strategic learning partner for the ETF who shares a vision and a roadmap for the future; and build an effective minimum viable product (MVP) in early 2023, to enable the 'as is' digital estate to consolidate with the expansion of the target state.

II.1.5) Estimated total value

Value excluding VAT: £1,250,000

II.1.6) Information about lots

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

Our existing digital estate is not fit for purpose and does not deliver the outputs required by ETF. This is because of inherited/legacy systems and a lack of clear digital strategy and investment. This means that systems performance impacts operations, and represents an increased risk of data breaches, increased reputational risk, and potential negative financial impact caused by an inability to develop systems and new services. We are therefore seeking a supplier who will: lead on our digital transformation programme to achieve our desired target state, including LMS at its core; be a strategic learning partner for the ETF who shares a vision and a roadmap for the future; and build an effective minimum viable product (MVP) in early 2023, to enable the 'as is' digital estate to consolidate with the expansion of the target state.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system
