Text

This is a F02: Contract notice type rather than a F21: Social and other specific services – public contracts (Contract notice)

VII.2) Other additional information

A notice F21: Social and other specific services – public contracts (Contract notice) was advertised, however given the CPV codes published and applicable this should have been completed on a F02: Contract notice form.

This corrigendum is to advise this competition is not a Light Touch Regime Schedule 3 Social and Other Specific Services and any reference to such within the tender should be disregarded. All other information contained within the published form remained the same.

Given the CPV codes the tender was and is being managed in accordance with the full rigour of the Public Contracts Regulations 2015 (as amended). As such the tender was advertised for the required minimum 30days (as electronic submission was used), will incorporate a standstill period as included within the original notice and an award notice will be published on FTS following award.

The tender opportunity was open to all interested tenderers and was published widely online on both Find a Tender Service and eTendersNI.
