II.1.4) Short description

NHS Derby and Derbyshire Integrated Care Board (DDICB) is inviting suitably qualified and experienced providers to express interest in delivering a Living Well Collaborative Facilitation and Coordination service, by responding to this opportunity as required and described in the published tender documentation. NHS Arden and Greater East Midlands CSU (AGCSU) is acting as an agent for and on behalf of the Commissioner and is supporting the procurement process.

The process is a one stage open process.

As part of the NHS Long Term Plan Ambitions, Living Well Derbyshire are working with Community Mental Health Teams, Local Authorities and the Voluntary Sector to create 'Provider Collaboratives' in local areas to support the improvement of outcomes and reduce out of area placements. The focus is to expand on community-based support for people in their own locality.

The Collaborative is an inclusive forum where people come together to develop a shared understanding of the current system, listen to local voices, shape the offer and respond to local mental health needs.

The purpose of the Leadership Co-ordinator Role is to steer the monthly collaborative meetings for each individual location and to support and promote the involvement of provider networks which sit in each local area.

Once established, the Living Well Local Leadership Coordinator will support the voluntary and community sector to become a key element of Mental Health Support in the community across the Derbyshire footprint.

The contract will commence 4th November 2022 and will end in line with the programme duration of 31st March 2024.
