## **VII.2) Information about modifications**

### **VII.2.1) Description of the modifications**

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Extension of the existing agreement for a period of 18-months until 31/01/2025 in line with the terms of the original tender and subsequent contract.

### **VII.2.2) Reasons for modification**

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

This Contract extension will allow NHSBT to undertake:

- in-depth market engagement to ensure innovation is accounted for
- a robust tender and system evaluation process
- a validation process for potential replacement systems to ensure that the system(s) meets NHSBT's operational and technical requirements.

All of which will facilitate the incorporation and alignment of multiple therapies (currently under separate contracts) and encompass NHSBT's Therapeutic Apheresis Service's longer term requirements for the supply and support of new and existing Apheresis therapy systems, the NHSBT PIN notice can be found here:

<https://www.find-tender.service.gov.uk/Notice/020287-2023>

### **VII.2.3) Increase in price**

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £1,630,000

Total contract value after the modifications

Value excluding VAT: £3,736,000
