Bangor University requires a comprehensive, bilingual (Welsh and English), customer service facility which will provide sector leading support to enquirers through to enrolment,

maximising our conversion rates across UK and international markets. Specifically we require as a minimum:

- Full integration with University systems for the management of data;
- A fully bilingual service in both Welsh and English, with equal availability on demand, reactive and proactive, in both languages across all platforms;
- Reactive responses to inbound queries across multiple media and platforms, nurturing relationships with prospective students in the UK and internationally, taking into account time zones;
- Proactive conversion services, supporting individuals from enquiry through to enrolment;
- Provision of additional resources at key times of the year;
- Provision of management data on a regular basis to assess and manage performance;
- Segmentation of enquirers and provision of tailored offers to these markets for UK (in Welsh and English) and international;
- Access to lead generation opportunities and data.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

These requirements are highly specialised, in particular the requirement for all UK student communications – reactive and proactive, to be available equally in Welsh and English, and our assessment of the market has not revealed another supplier who has the required experience and ability. Therefore the University believes this supplier is the only provider who can deliver the unique portfolio of essential services, experience, technology and data integration, across the UK and international markets, which we require.
