Other activity

Public Sector Framework Provider

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

NHMF Frameworkx Planned Maintenance, Net Zero Carbon and Passive Fire Safety Works Framework Agreements 2022

Reference number

NPC2001

II.1.2) Main CPV code

- 45400000 - Building completion work

II.1.3) Type of contract

Works

II.1.4) Short description

NHMF Frameworkx on behalf of NHMF (NPC) members wishes to appoint a number of Contractors, to two Frameworks, one for Direct Awards, and one for Mini-Competitions.

Each of the Frameworks is broken down into 6 workstreams which are:

Planned Maintenance - External and Communal Works

Planned Maintenance - Internal Works

Planned Maintenance - External, Communal and Internal Works

Cyclical Redecoration and Pre-Decoration Repairs

Net Zero Carbon Works

Passive Fire Safety Works

The Frameworks are national covering England, Wales, Scotland and Northern Ireland with the ability to operate in specific geographical regions.

II.1.5) Estimated total value

Value excluding VAT: £850,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

LOT 1A Planned Maintenance External and Communal Works - Direct Award Framework

Lot No

1A

II.2.2) Additional CPV code(s)

- 45300000 - Building installation work
- 45400000 - Building completion work
- 50700000 - Repair and maintenance services of building installations
- 50800000 - Miscellaneous repair and maintenance services

II.2.3) Place of performance

NUTS codes

- UKC - North East (England)
- UKD - North West (England)
- UKE - Yorkshire and the Humber
- UKF - East Midlands (England)
- UKG - West Midlands (England)
- UKH - East of England
- UKI - London
- UKJ - South East (England)

- UKK - South West (England)
- UKL - Wales
- UKM - Scotland
- UKN - Northern Ireland

II.2.4) Description of the procurement

NPC on behalf of its members is seeking to appoint Contractors to a framework to undertake all trades Planned Maintenance - External and Communal Works to the structures, fenestration, environmental infrastructure and common parts and facilities which may include cyclical redecoration and pre-decoration repairs to their various dwellings, estates and schemes.

For Further details refer to the ITT and Specification documentation.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £75,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.14) Additional information

All requests for procurement documentation, communications and submission of tenders must be made via the Portal, which can be accessed at <https://etenders.nhmfframeworx.org.uk>

After creating an account on eTenders@NHMF-Frameworx, users will receive an email with a link to activate their account. Once activated and logged in, users will need the following code to register for the procurement documentation: NPC2001

II.2) Description

II.2.1) Title

LOT 1B Planned Maintenance External and Communal Works - Mini Competition Framework

Lot No

1B

II.2.2) Additional CPV code(s)

- 45300000 - Building installation work
- 45400000 - Building completion work
- 50700000 - Repair and maintenance services of building installations
- 50800000 - Miscellaneous repair and maintenance services

II.2.3) Place of performance

NUTS codes

II.2.4) Description of the procurement

NPC on behalf of its members is seeking to appoint Contractors to a framework to undertake all trades Cyclical Redecoration and Pre-Decoration Repairs Works to their various dwellings, estates and schemes.

Cyclical Redecoration and Pre-decoration Repairs will include:

redcoration of existing decorated surfaces to windows, doors, fascias, rainwater and sanitary pipework, walls, soffits, to external fenestration and common parts including communal rooms, together with redecoration to bin stores, garages, cycle sheds, fencing, railings, screens, gates and the like to boundaries, paths, drives and communal areas, staircases, access decks/balconies ordered in accordance with the provisions of the Contract which have been 'packaged' into a pre-planned programme of works. Cyclical Redecoration shall also include the cleaning as specified of the external surfaces of any PVCu components or products e.g. windows, doors, soffits, fascias, cladding and the like that may be encountered.

Pre-decoration Repairs includes for any installation, construction, repairs, maintenance, renewals, reinstatement or replacement Works or Works of improvement (other than that defined as Cyclical Redecoration) that is ordered in conjunction with Cyclical Redecoration and is required to be undertaken in conjunction with or before the Cyclical Redecoration can be undertaken. The work includes but is not limited to;

- Overhaul of rainwater goods including renewals;
- Overhaul of external doors and windows including associated joinery repairs and renewals prior the decoration of external and internal communal area shared hall and stairways etc;
- Decorations to external elevations including associated joinery and carpentry repairs/renewals;
- Decoration to internal communal shared areas;
- Works of renewal, improvement or repair not associated directly with Cyclical Redecoration of the component renewed or repaired; and

- The provision of appropriate access to external elevations where necessary, to comply with current Health and Safety regulations.

For Further details refer to the ITT and Specification documentation.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £50,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

This is a recurrent procurement: No

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

NHMF Frameworkx is the trading name of NHMF (NPC) Ltd ("NPC") which has been established by the National Housing Maintenance Forum Ltd to undertake the development of frameworks for its 600 plus social housing provider members (the "Contracting Authority") operating across England, Wales, Scotland and Northern Ireland, who are the subscribers and users of the M3NHF Schedule of Rates for Responsive and Void Property Works, the M3NHF Schedule of Rates for Planned Maintenance and Property Reinvestment and the M3NHF Repairs Ordering Schedule. The members of the NHMF represent more than 80% of the UK's housing stock. NHMF (NPC) Ltd is Contracting Authority under regulation 2 of the Public Contract Regulations 2015 and a central purchasing body under regulation 37 of those Regulations. Other contracting authorities through an Authorising Agreement with NPC may also enter into Call-Off Contracts with framework providers.

The Contracting Authority considers that these contracts may be suitable for economic operators that are small or medium enterprises (SMEs), any selection of tenderers will however be based solely on the criteria set out in the procurement documents. NPC is administering this procurement on behalf of its Members (Contracting Authority)

The Contracting Authority reserves the right not to award any membership to any framework pursuant to this procurement exercise and/or to abandon this procurement exercise at any time and/or to award membership of a framework for only part of the Works at its sole discretion

The Contracting Authority shall have no liability whatsoever to any applicant or tenderer as a result of its exercise of that discretion.

For the avoidance of doubt, all costs incurred by any applicant and/or tenderer before signature of any Call-off Contract shall be incurred entirely at that applicant/tenderer's risk.

No guarantee can be given that any business is generated under any awarded framework agreement or call off contract, nor can any guarantee be given that any framework agreement or call-off contract may be put in place in relation to this procurement.

Economic Operators are to note that Call-off Contracts will take into account the priorities of the Contracting Authority and its members relating to economic, social and environmental well being.

All documentation can be downloaded from <https://etenders.nhmfframeworkx.org.uk>

This portal is for the downloading of the draft procurement documentation, submission of tenders and communicating requests for and responses to clarifications.

All requests for procurement documentation, communications and submission of tenders must be made via the Portal, which can be accessed at <https://etenders.nhmfframeworx.org.uk>

After creating an account on eTenders@NHMF-Frameworx, users will receive an email with a link to activate their account. Once activated and logged in, users will need the following code to register for the procurement documentation: NPC2001

Economic operators may seek clarification where they consider any part of the procurement documentation is unclear.

All queries and any clarifications must be communicated using the secure email messaging function within the Portal, but to be received no later than 16:00 on 02.11.2022, this will provide an audit trail of all clarification requests and responses issued.

It will not be possible to respond to any queries received after that stipulated date and time. It is the Economic Operators responsibility to regularly monitor communications raised and issued through the Portal.

Response to requests for clarification will be communicated by NPC to all Economic Operators through the portal secure email messaging system.

When uploading Tender Documentation, Economic Operators must be aware of any speed limitations of their internet connection, system configuration and general web traffic etc., as these may impact on the time taken to complete the transaction. Uploading of submissions must be completed by the deadline closing date and time.

DO NOT WAIT until too near the closing time on the return date. The closing deadline for uploading completed tender documentation is the 09.11.2022 at 15.00.

Please note that the Portal will not permit tender submissions to be uploaded after the closing deadline.

Tenders and supporting documentation must be visible to NPC and their advisers only after the closing deadline. Should Economic Operators have any queries or experience difficulties with the registration or download/upload system they should contact the eTenders@NHMF-Frameworx help desk by email etenders@nhmfframeworx.org.uk

VI.4) Procedures for review

VI.4.1) Review body

High Court of England and Wales

Royal Courts of Justice, The Strand

London

WC2A 2LL

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

The Contracting Authority will incorporate a minimum 10 calendar day standstill period at the point information on the award of the Contracts is communicated to all Economic Operators.

The standstill period provides time for unsuccessful Economic Operators to challenge the award decision before Framework Agreements are entered into. The Public Contract Regulations 2015 (as amended) provide for aggrieved parties who have been harmed or who are at risk of harm by a breach of the Regulations to take action in the High Court of England and Wales.

After the expiry of the 10 day standstill period, the Contracting Authority will unless prevented by order of the High Court, conclude and enter into the Framework Agreements.

VI.4.4) Service from which information about the review procedure may be obtained

Cabinet Office

70 Whitehall

London

SW1A 4AS

Country

United Kingdom
