II.2.4) Description of the procurement

Neath Port Talbot County Borough Council (the “Council”) invites tenders from suitably qualified and experienced organisations to undertake term services to the SWTRAs/ highways assets across the South Wales Strategic Road Network (SWSRN).

An indication of the Scope of the service is summarised as follows:

The routine maintenance and fault repair associated with road electrical, signal and technology infrastructure systems and Network communications, along with mechanical and electrical and electronic systems associated with the SWSRN (the affected property). These include, but are not limited to:-

- The South Wales Traffic Management Centre and the South Wales Transmission Buildings (including Tunnel Service Buildings).
- The maintenance and fault repair of ITS and information systems and services; inductive loops; trunk road telephones; CCTV (permanent and temporary sites); electronic message signs (permanent and temporary); IT servers and screens and meteorological detection equipment installed throughout the Area Network
- Tunnel systems associated with the Brynglas & Gibraltar Tunnels, which include but are not limited to:- LV Distribution and Control Systems, Power Transformers, Uninterruptible Power Supplies, Lighting and Control Systems, Fire Monitoring / Protection System, Pollution Monitoring Systems, SCADA Systems, PA Systems and video incident detection systems.
- Planned and reactive Tunnel Technology Maintenance.
- The maintenance and fault repair of Street lighting, Illuminated Traffic Signs and Bollards.
- The maintenance and fault repair of Traffic Signals
- Making assets safe in the event of a safety critical emergency scenario.
- The Scope may also include for the replacement and upgrade of the existing equipment or systems, or installation of new assets and their maintenance at the discretion of the Service Manager..
- Throughout the life of the contract new systems or equipment will inevitably be added to supplement the existing assets and the service may be extended or adjusted to cover such replacement, upgraded or additional assets.
