This is a call for competition.

NHS Leicester, Leicestershire and Rutland Integrated Care Board (NHS LLR ICB) is seeking to commission a provider to deliver primary medical services at Parker Drive Surgery and Manor Park Medical Practice:

Address:

Main - 122 Parker Drive, Leicester, Leicestershire, LE4 0JF

Branch - 577 Melton Road, Leicester, Leicestershire, LE4 8EA

The Contract will be an Alternative Provider of Medical Services (APMS) contract commencing 1st April 2023 for a population of 13,310 patients.

The current contract is operating under caretaker arrangements that are due to expire on the 31st March 2023.

The ICB wish to receive responses to the Invitation to Tender (ITT) from suitably qualified and experienced Providers with the necessary skill and experience (or a demonstrable ability to provide the skill and experience) to provide the range of services required.

The aim of the service is to deliver all essential, additional and enhanced primary care services to all registered patients at the practice.

The contract shall be for a term of ten (10) years from the Service start date the option to extend the term by up to another five (5) years beyond the initial 10-year contracted term at the Commissioner's discretion. The contract start date is 1st of April 2023.

The contract value for this service is estimated to be £1,733,685 per annum at 2022/23 prices (excluding pass-through costs , as defined in 4.5 Annex 04 and general assumptions tab under premises costs of the tender documentation), and up to a total £26 million over the potential 15 years term of the contract (including extensions). These contract values are subject to change as the practice population changes and in line with other variable payments. Please note that the ICB will reject bids that do not meet the sustainability test (as defined in the ITT documents which are downloadable via the Bravo e-procurement portal. Details of how to register to access this information is contained below.

The service will be commissioned via an open type procurement process according to the Light Touch Regime of the Procurement Contract Regulations 2015 for healthcare services advertised to all providers which is proportionate to the value and complexity of the service and contract.

The invitation to tender (ITT) will be available from 07th of October on the ML CSU Bravo portal (see below) and it will have a deadline for submissions of 13:00 on 7th of November 2022.

Bidder clarifications may be submitted to the Commissioner (via the ML CSU Bravo portal only) during the procurement process up to 17:00 on 31st of October 2022.

We recommend current providers of similar services, providers who may be interested in providing this service, or other stakeholders who may have an interest in providing this to register on the MLCSU eProcurement portal Bravo (Jaggaer) to register their interest and get access to the ITT and all the documentation.

II.2.4) Description of the procurement

The Contract will be an Alternative Provider of Medical Services (APMS) contract commencing 1st April 2023 for a population of 13,310 patients.

The aim of the service is to deliver all essential, additional and enhanced primary care services to all registered patients at the practice.

The ICB is seeking innovation in the provision of integrated primary care services, which align to both the national and local strategic plans, i.e.:

a) 'Do things differently':

- o develop new ways to improve access and service delivery;

- o improve integration and collaborative working with local health and social care providers, including Primary Care Networks;

- o improve engagement with patients in the development of integrated primary care services ensuring the patient has more control over their own health and the care they receive.

b) Preventing illness, tackling health inequalities:

- o promote physical and psychological well-being and self- care;

- o addressing health inequalities to improve patient outcomes.

c) 'Provide world class care for major health problems' through:

- o improved continuity of care;

- o clinical audit;

- o appropriate risk assessment to promote early diagnosis of chronic disease;

- o improved long term condition management.

d) Making better use of data and digital technology:

- o supporting the 'digital first' approach with clinically safe, NHS approved digital technology to improve access, increase patient choice, and improve quality and outcomes.

e) Backing the workforce:

- o providing a GP-led service with appropriate clinical oversight to support the multi-disciplinary practice team;

- o providing and supporting all staff holistically, ensuring personal development, promoting confidence and greater staff satisfaction.

The contract shall be for a term of ten (10) years from the Service start date with the option to extend the term by up to another five (5) years beyond the initial 10-year contracted term at the Commissioner's discretion. The contract start date is 1st of April 2023.
