II.1.4) Short description

Creating knowledge and putting it into action means having practice at the heart of what we do. We create new knowledge which we and others put into action to further our University's purpose, benefiting society and the economy, the environment, enhancing health and wellbeing and enriching culture and communities. In research and knowledge exchange we foster interdisciplinary work, designing for impact. As part of the University's new strategy, we will be growing and developing our research base and culture.
