I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

Other activity

Research

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

UKRI-1800 Geotechnical Advisor for NERC-UKRI

Reference number

UKRI-1800

II.1.2) Main CPV code

- 73200000 - Research and development consultancy services

II.1.3) Type of contract

Services

II.1.4) Short description

UKRI seeks to procure the services of a suitably qualified and experienced Geo-technical Adviser for a range of sub-surface investments currently underway, planned and being considered as part of our commitment to support HMG in this developing research field. UKRI is developing a range of projects across it's Councils to support HMG delivery of Net Zero by 2050 that may include similar geotechnical advice.

As part of the green industrial revolution, BEIS have indicated that UKRI can play a crucial role in providing independent research and analysis (including National Capability Infrastructure where appropriate) supporting geological solutions over the next decade and in particular support the five clusters as they develop.

II.1.5) Estimated total value

Value excluding VAT: £6,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 73100000 - Research and experimental development services
- 73300000 - Design and execution of research and development
- 90712000 - Environmental planning
- 71540000 - Construction management services
- 71500000 - Construction-related services
- 71541000 - Construction project management services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

UNITED KINGDOM

II.2.4) Description of the procurement

The services require understanding and experience of a range of infrastructure and scientific approaches both in the UK and abroad to include, inter alia: Geoenergy; Hydrogen Storage & Carbon Capture & Storage including 'at depth' both onshore and offshore and Geothermal. Services will include infrastructure design, well design for scientific analysis, injection systems and regulatory planning and permissions and may also enhanced with expertise in stakeholder/public engagement data management and business case development.

This PIN is for a Geotechnical Advisor that can support UKRI in early stage development, planning and costing to maximise the efficiency and effectiveness of our investments.

The successful bidder will provide all necessary resources to fulfil this role as principal advisor but may choose to take the lead role with other 'specialist' sub-advisors in order to provide a pre-selected core team for consistency of approach.

II.2.14) Additional information

The contract will be on a call-off basis for a period of 3 years with the option to extend for a further 2 years. It is likely the total value of the contract will not exceed £6,000,000.

We envisage engaging with interested suppliers to better understand the market during the next couple of months, prior to launching a formal competition via Contract Notice.

II.3) Estimated date of publication of contract notice

31 January 2022

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information
