Other activity

Transport

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Design Technical and Professional Services Framework

Reference number

21-001

II.1.2) Main CPV code

- 79415200 - Design consultancy services

II.1.3) Type of contract

Services

II.1.4) Short description

SPT are seeking to award a framework for Design Technical and Consultancy Services

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Transport Planning Consultancy Services

Lot No

1

II.2.2) Additional CPV code(s)

- 71311200 - Transport systems consultancy services

II.2.3) Place of performance

NUTS codes

- UKM82 - Glasgow City

Main site or place of performance

Glasgow

II.2.4) Description of the procurement

- Assist with the preparation and submission of bids/claims for external third-party funding
- Consultation and engagement with elected Members, stakeholders and communities
- Provision of project management support for transport planning activities

Provision of specialist advice, for example, in relation to emerging technologies, or subject specific legal advice

II.2.5) Award criteria

Quality criterion - Name: Methodology and Proposal / Weighting: 50

Quality criterion - Name: Quality & Resilience of Personnel / Weighting: 30

Quality criterion - Name: Risks, Mitigations and Opportunities / Weighting: 20

Price - Weighting: 40

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

36

This contract is subject to renewal

Yes

Description of renewals

A 12 month extension period will be awarded on the sole discretion of SPT. Renewal requirements will be reviewed after 36 months

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged number of candidates: 5

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

Community benefits (s) will apply to this framework. Those invited to stage 2 of this procurement exercise will be required to state their compliance with community benefits and their adherence to the CBs menu provided. SPT will seek to realise all CBs per organisation annually in arrears. This will be based on the total value of commissions awarded within the previous 12 mnths

II.2) Description

II.2.1) Title

Transport Model Development and Application Consultancy Services

Lot No

2

II.2.2) Additional CPV code(s)

- 71311200 - Transport systems consultancy services

II.2.3) Place of performance

NUTS codes

- UKM82 - Glasgow City

Main site or place of performance

Glasgow

II.2.4) Description of the procurement

The generic areas of this lot are listed below. In future we may call off services which are linked to this list, but the list is not exhaustive and we may utilise this framework for any for all or any of our Transport Model Development and Application requirements

- Specification, collection and management of data and surveys to develop and maintain transport models
- Specification, development and application of SRTM
- Specification, development and application of SITLUM
- Specification, development and application of transport and traffic models
- Liaise with third-party partners and consultants on the specification, development and application of transport models

II.2.5) Award criteria

Quality criterion - Name: Methodology and Proposal / Weighting: 50

Quality criterion - Name: Quality and Resilience of Personnel / Weighting: 30

Quality criterion - Name: Risks Mitigations and Opportunities / Weighting: 20

Price - Weighting: 40

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

36

This contract is subject to renewal

Yes

Description of renewals

A 12 month extension will be taken at the sole discretion of SPT. Thereafter requirements will be reviewed for renewal

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged number of candidates: 5

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

SPT will seek to realise all CBs per organisation annually in arrears. This will be based on the total value of commissions awarded within the previous 12 mnths

II.2) Description

II.2.1) Title

Mechanical and Electrical Engineering

Lot No

6

II.2.2) Additional CPV code(s)

- 71334000 - Mechanical and electrical engineering services

II.2.3) Place of performance

NUTS codes

- UKM82 - Glasgow City

Main site or place of performance

Glasgow

II.2.4) Description of the procurement

The generic areas of this lot are listed below. In future we may call off services which are linked to this list, but the list is not exhaustive and we may utilise this framework for any for all or any of our Mechanical and Electrical Engineering requirements:

- Mechanical and Electrical Engineering Design;
- Heating/Energy System and Lighting Design;
- Mechanical and Electrical Surveys
- Analysis, Simulation, Testing and Modelling;
- Planned preventative maintenance;
- Facilities management;
- Stock/Spares Control;
- Safety, Reliability and Performance Improvement;
- Failure Root Cause analysis;
- Reverse Engineering (for specification determination);
- Cost-estimating including whole life estimates; and
- Obsolescence management.

II.2.5) Award criteria

Quality criterion - Name: Methodology and Proposal / Weighting: 50

Quality criterion - Name: Quality and Resilience of Staff / Weighting: 30

Quality criterion - Name: Risk Mitigations and Opportunities / Weighting: 20

II.2) Description

II.2.1) Title

Telecoms and Signalling

Lot No

9

II.2.2) Additional CPV code(s)

- 71316000 - Telecommunication consultancy services

II.2.3) Place of performance

NUTS codes

- UKM82 - Glasgow City

Main site or place of performance

Glasgow

II.2.4) Description of the procurement

The generic areas of this lot are listed below. In future we may call off services which are linked to this list, but the list is not exhaustive and we may utilise this framework for any for all or any of our Signalling, Telecoms and Control Systems requirements:

- Railway signalling systems;
- Telecommunications;
- Control systems (wayside, centralised and train borne control systems);
- Automatic Train Operation, Automatic Train Protection and Automatic Train Control systems (ATO, ATP and ATC);
- Software Engineering & Design;
- Radio communication systems;
- Vandal resilient and object detection technologies,
- Sub-surface signalling;
- Telecoms and controls systems expertise; and
- Fibre Optic/WIFI Communication Systems.

II.2.5) Award criteria

Quality criterion - Name: Methodology and Proposal / Weighting: 50

Quality criterion - Name: Quality and Resilience of Personnel / Weighting: 30

Quality criterion - Name: Risks Mitigations and Opportunities / Weighting: 20

Price - Weighting: 40

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

This contract is subject to renewal

Yes

Description of renewals

A 12 month extension will be taken at the sole discretion of SPT. Thereafter requirements will be reviewed for renewal

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged number of candidates: 5

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

Community benefits (s) will apply to this framework. Those invited to stage 2 of this procurement exercise will be required to state their compliance with community benefits and their adherence to the CBs menu provided. SPT will seek to realise all CBs per organisation annually in arrears. This will be based on the total value of commissions awarded within the previous 12 mnths

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

With regards SPD question 4B, SPT will use Dun and Bradstreet's DBAi financial reporting system to assess the financial stability of bidders

Insurance Requirements

Minimum level(s) of standards possibly required

Bidders with a Failure Score of 51 or above on the DBAi system will be deemed to have evidenced satisfactory financial stability. Bidders must confirm within their response to the relevant question within the Qualification Envelope, the value of their D&B Failure Score.

In the event that the bidder does not have a Dun and Bradstreet rating or they consider that the rating has been adversely affected by factors which they can offer mitigating evidence for, we will use the following ratios to evaluate a bidder's financial status. Bidders must confirm within their response to the relevant question within the Qualification Envelope, the name and value of the 3 financial ratios listed below as taken from their own Accounts.

Insurance: Minimum levels to be held for award to framework:

PI GBP10M Employers GBP5M Public GBP10M. For call-offs from the framework, the insurance will levels will be reviewed on a commission-by-commission basis.

III.1.3) Technical and professional ability

List and brief description of selection criteria

At selection stage tenderers are to provide examples of relevant experience

Minimum level(s) of standards possibly required

For each lot being tenderer for organisations must be able to evidence through experience their ability to deliver the range of services which SPT require in each the lot. This can have been delivered either entirely in-house or with the use of sub-contractors.

This can be either by demonstrating that your organisation has been awarded to a similar framework or through individual commissions

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Restricted procedure

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

Envisaged maximum number of participants to the framework agreement: 45

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Originally published as:

Date

14 December 2021

Local time

10:00am

Changed to:

Date

16 December 2021

Local time

10:00am

See the [change notice](#).

IV.2.3) Estimated date of dispatch of invitations to tender or to participate to selected candidates

10 January 2022

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.6) Minimum time frame during which the tenderer must maintain the tender

Tender must be valid until: 29 July 2022

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: Yes

Estimated timing for further notices to be published: three years from date of award

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

This is a two stage procurement exercise.

The terms and conditions for any call-off from the framework will be under the NEC 3 Professional Services Contract which will include SPT's Z-clauses. SPT reserve the right to transition to NEC 4 professional services contract during the life of the framework. Terms and conditions will be issued at call-off stage and will be pertinent to the individual commission.

It is anticipated that a tenderer presentation in respect of SPT future requirements will be held at stage two of this procurement exercise.

Community benefits will apply to this framework. Tenderers invited to stage two of this procurement exercise will be expected to state their compliance with the community benefits points calculator issued by SPT. Community benefits points will be accumulated and applied annually in arrears.

The commercial and quality weightings for award to the framework are technical 60% and commercial 40%. SPT reserve the right to change these weightings for mini-competitions from the lots. The technical criteria for mini-competition evaluation will be:

Proposal and Methodology

Programme

Quality & Resilience of Personnel

Risk, Mitigation and Opportunity

Community Benefits

SPT reserve the right to direct award call-offs from the framework up to the value of GBP50,000

The buyer is using PCS-Tender to conduct this PQQ exercise. The Project code is 19886. For more information see:
