Reference

BU182025

Description

Bangor University is seeking to appoint a supplier to establish a contract for continued Anti-Microbial Resistance analysis services to assist us in our research. Examples of required services include DNA extraction from samples, the customisation of the analytical pipeline and screening of targeted antibiotic resistance genes. The intended scope of the contract will encompass a requirement for both the analytical activity itself and the provision of associated results to the Contracting Authority. The contracting Authority is using eTenderWales to conduct this procurement process- the designated eTenderWales ITT reference is itt_117592

Total value (estimated)

- £192,000 excluding VAT
- £240,000 including VAT

Above the relevant threshold
