Reference number

WD2

II.1.2) Main CPV code

- 45421100 - Installation of doors and windows and related components

II.1.3) Type of contract

Works

II.1.4) Short description

This notice is listed by LHC on behalf of the Welsh Procurement Alliance (WPA)

LHC / WPA is seeking interest from suitable organisations for our WD2 Windows and Doors (PVC-U and Timber Products) Framework.

LHC / WPA is tendering a replacement framework for the currently successful T4 (Timber windows and doors) and U10 (PVC-U windows and doors) agreements for the supply and installation of high quality windows and external doorsets suitable for use in public sector housing and non-housing buildings throughout England, Wales and Scotland.

This framework is designed for manufacturers of PVC-U and timber window and door products, who can offer both a design, manufacture and supply only and a complete design, manufacture, supply and installation service.

Installation services can be provided either through directly employed teams or via supply chain members assessed and approved by the bidder, however regardless of the installation approach clients calling off from this contract will contract with the bidders appointed to this framework to provide a full supply and installation service.

The framework is to be tendered under 3 workstreams:

Lot 1 - Manufacture, Supply and Installation of PVC-U Windows and Doors

Lot 2 - Manufacture, Supply and Installation of Timber Windows and Doors

Lot 3 - Manufacture, Supply and Installation of Aluminium Clad Timber Windows

This opportunity is a national framework listed by LHC on behalf of:

LHC

Scottish Procurement Alliance (SPA)

Consortium Procurement Construction (CPC)

Welsh Procurement Alliance (WPA)

South West Procurement Alliance (SWPA)

Each lot is broken down into sub-regional areas

II.1.5) Estimated total value

Value excluding VAT: £16,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Manufacture, Supply and Installation of Aluminium Clad Timber windows - T5 WS2

Lot No

3

II.2.2) Additional CPV code(s)

- 03419100 - Timber products

- 45421100 - Installation of doors and windows and related components
- 45421110 - Installation of door and window frames
- 45421112 - Installation of window frames
- 45421130 - Installation of doors and windows
- 45421132 - Installation of windows

II.2.3) Place of performance

NUTS codes

- UKL - Wales

II.2.4) Description of the procurement

Lot 3 will cover the design, supply, removal of old and installation of new aluminium clad timber windows for all types of public sector projects.

Successfully appointed bidders for this lot will be required to offer both a design, manufacture and supply only and a complete design, manufacturer, supply and installation service.

Installation services can be provided either through directly employed teams or via supply chain members that have been assessed and approved by the bidder. Regardless of the installation approach clients calling off from this contract will engage with the successfully appointed bidders to this framework who will be responsible for providing a full supply and installation service.

Full details can be found in the procurement documents provided.

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

Envisaged maximum number of participants to the framework agreement: 6

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.1) Previous publication concerning this procedure

Notice number: [2021/S 000-016036](#)

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

18 January 2022

Local time

12:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.6) Minimum time frame during which the tenderer must maintain the tender

Duration in months: 6 (from the date stated for receipt of tender)

IV.2.7) Conditions for opening of tenders

Date

18 January 2022

Local time

1:00pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.3) Additional information

LHC is a joint committee of local authorities acting as a central purchasing body on behalf of Welsh Procurement Alliance. Thanks to

their ongoing and collective feedback and input into the development of this framework and given the reach and scale of their portfolio, the framework is both designed and anticipated to support the vast majority of requirements. Consequently, other contracting authorities that were not specifically consulted in the development of this framework may nevertheless also deem the framework to offer a value for money procurement solution for their own requirements and may also use the framework.

As of the date of publication of this notice our frameworks may be used by all contracting authorities in Wales as defined by the Public

Contracts Regulations 2015 and as listed on <https://www.welshprocurement.cymru/who-we-work-with/>, including, but not limited to Registered social landlords (RSL's), tenant management organisations (TMOs) and arm's length management organisations (ALMOs), local authorities and any subsidiaries and joint-venture vehicles of those local authorities, health authorities, councils, boards and trusts, publicly funded schools, universities and further education establishments, colleges, police forces, fire and rescue services or registered charities.

Bidders must beware that LHC clients may add community benefit requirements in their call-

off contracts from this Framework including

but not limited to:

- to generate employment and training opportunities for priority groups;
- vocational training;
- to up-skill the existing workforce;
- equality and diversity initiatives;
- to make sub-contracting opportunities available to SMEs, the third sector and supported businesses;
- supply-chain development activity;
- to build capacity in community organisations;
- educational support initiatives.

Please use the following link, and select LHC using the 'Portal' or 'Organisation' drop down filter to access the tender on LHC's eTendering portal.

<https://procontract.due-north.com/Opportunities>

Under the terms of this contract the successful supplier(s) will be required to deliver Community Benefits in support of the authority's economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental considerations. The Community Benefits included in this contract are:

Bidders must beware that WPA clients may add community benefit requirements in their call-off contracts from this Framework including but not limited to:

- to generate employment and training opportunities for priority groups;
- vocational training;
- to up-skill the existing workforce;
- equality and diversity initiatives;
- to make sub-contracting opportunities available to SMEs, the third sector and supported businesses;

- supply-chain development activity;
- to build capacity in community organisations;
- educational support initiatives.

(WA Ref:115504)

The buyer considers that this contract is suitable for consortia.
