This contract represents a continuation of this work and as such this requirement also needs to be sourced via Swinton for the same reason . i.e. consistency and standardization.

II.2.11) Information about options

Options: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated without a prior call for competition

- Additional deliveries by the original supplier

Explanation:

This VEAT is issued under Reg 50 of the UCR citing the following reason: 50.-(1) Utilities may use the negotiated procedure without prior call for competition in the following cases-(e) in the case of supply contracts for additional deliveries by the

original supplier which are intended either as a partial replacement of supplies or installations or as the extension of

existing supplies or installations, where a change of supplier would oblige the utility to acquire supplies having different technical characteristics which would result in incompatibility or disproportionate technical difficulties in operation and maintenance

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section V. Award of contract/concession

A contract/lot is awarded: Yes
