ID 4607764 DoJ – PSNI – ICS – Supply, Design, Installation, Commissioning and Maintenance of Professional Video and Audio Systems

Reference number

ID 4607764

II.1.2) Main CPV code

- 50342000 - Repair and maintenance services of audio equipment

II.1.3) Type of contract

Services

II.1.4) Short description

PSNI require a Contractor for the supply, installation, commissioning and maintenance of professional video and audio equipment. Product types, i.e. monitors, cameras and control equipment should be available 'off-the-shelf' from within the professional video and audio industry, offering current technology, design quality, reliability, design inter-compatibility and cost effectiveness. Compatibility for all accessories is critical for many systems, PSNI will review any products offered to ensure compatibility. All accessories must be manufacturer approved. PSNI currently support a range of media devices (i.e. projectors and monitors). The Specification requires that the appointed Contractor continues to support these legacy devices for the period of their serviceable life. The Contractor must also provide design services to ensure AV Systems are regulatory compliant when required by the Client. See the Specification for further details on this requirement.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £12,000,000

Total value of the contract/lot: £12,000,000

Section VI. Complementary information

VI.3) Additional information

Contract Monitoring. The successful Contractor's performance on this Contract will be managed as per the specification and regularly.. monitored. Contractors not delivering on contract requirements is a serious matter. It means the public purse is not getting what it is.. paying for. If a contractor fails to reach satisfactory levels of contract performance they will be given a specified time to improve. If, after.. the specified time, they still fail to reach.. satisfactory levels of contract performance, the matter will be escalated to senior management.. in CPD for further action. If this occurs and their performance still does not improve to satisfactory levels within the specified period, it.. may be regarded as an act of grave professional misconduct and they may be issued with a Notice of Unsatisfactory Performance and.. this Contract may be terminated. A central register of such Notices for supplies and services contracts will be maintained and published.. on the CPD website. Any Contractor. in receipt of a Notice of Unsatisfactory Performance will be required to declare this in future tender.. submissions for a period of three years from the date of issue of the Notice. It may also result in the Contractor being excluded from all.. procurement competitions being undertaken by Centres of Procurement expertise on behalf of bodies covered by the Northern Ireland.. Procurement Policy.

VI.4) Procedures for review

VI.4.1) Review body

The UK does not have any special review body with responsibility for appeal/mediation procedures in public procurement competitions. Instead; any challenges are dealt with by the High Court, Commercial Division, to which proceedings may be issued regarding alleged breaches of the PCR2015 as amended

United Kingdom

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

CPD comply with the Public Contracts Regulations 2015 (as amended) and. incorporated a standstill period (i.e. a minimum of 10 calendar days) at the point information on the award of. contract is communicated to tenderers. That notification provided full information on the award decision. This provided time for the. unsuccessful tenderers to challenge the award decision before the contract is entered into.
