II.2.4) Description of the procurement

The OPA is seeking a range of professional services as set out in Lot 3 table Appendix 4. The services outlined for this Lot are not required on a regular basis but arise as requirements either from Capital Project work or as requests from the Competent Authority. As such, timelines can often be restrictive, and a turnaround of a month is not unusual when the request has come from the Competent Authority. Tenderers should possess experience of the type of projects and the environments they will be delivered in, particularly COMAH experience or similar for fuel storage operators. This submission of previous works will be used during the tender evaluation process to demonstrate competence to undertake future works on behalf of OPA.
