VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Extension of contract scope and value to allow delivery of urgent international aid (pumps and flood barriers) to support Ukraine's response to ongoing severe flooding and related services.

- This modification is justified under reg.72(1)(c) of the Public Contracts Regulations, including because the severe flooding in Ukraine and associated request for international aid could not have reasonably foreseen by the Environment Agency.

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

Following the severe flooding currently affecting parts of Ukraine following a breach of the Kakhovka Dam, UK Gov has agreed to provide certain international aid to help Ukraine tackle flooding and limit further loss of life, injury, and damage to property and infrastructure. As part of that, the Environment Agency has agreed to send aid in the form of pumps, flood barriers, and other flood response-related equipment.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £5,853,075

Total contract value after the modifications

Value excluding VAT: £6,853,075
