II.2.4) Description of the procurement

The contract will be for the provision of waste management services to the Trust. The type of waste, together with the frequency of collection is detailed in Document 5. Tender Response - Price Offer Form.

The Trust is seeking an efficient, high quality waste management service that fully complies with Educational environmental objectives to reduce the environmental impact of waste services, meet government targets for recycling and reduce waste to landfill sites.

The Contract covers the following categories of waste streams.

- a. General Waste (landfill)
- b. Recycled Waste (paper, cardboard, plastics, glass)
- c. Food Waste (compostable)

In order to meet the Trust's requirements, the Contractor shall:

- a. Demonstrate a proactive approach that will aim to reduce general waste to landfill collections with the aim of achieving zero waste to landfill across all sites.
- b. Hold the appropriate Waste Carrier licences to allow them to carry out the waste management service for the Trust. Contractors shall provide copies of the licences as part of the tender submission. Licences of the Contractor will remain valid for the duration of the Contract; any licences found to be out of date or deemed invalid will result in the removal of the Contractor from the contract.
- c. Have in place an appropriate recycling and waste management strategy for the contract. This will include but not be limited to; systems for waste segregation and minimisation, re-use, recycling and disposal.

d. Provide wheelie bins, skips, containers as necessary to facilitate the storage and removal of all specified waste streams. Ancillary items must be included within the pricing schedule. Details of items to be used during the Contract shall be provided as part of your tender submission.

e. Be aware Information on historical volumes for all waste streams are provided within Document 5. Tender Response - Price Offer Form.

f. Be required to work with the Trust's Premises Managers to Improve the levels of recycling in the Trust to ensure that the optimum level of waste material is recycled, sustainability targets are met and best value for money is achieved.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

42

This contract is subject to renewal

Yes

Description of renewals

Option of 2 further 1 year extensions giving a contract end date of 31st August 2030.
